Guest speaker Dr. Kenneth E. Clark meets representatives of host schools for the National Honor Society Conference at Alfred University. From left are: Sharon Congelli of Andover, Dr. Clark and Anna Marie Murray of Greenwood.

## National Honor Society Conference

Alfred University was the scene of National Honor Society Conference May 13, 1965. The host schools for the conference were Andover, Scio, Greenwood and Hornell.

Andover sent five representatives. They were Davie Wightman, Sharon Congelli, Jean DeRemer, Cheryl Baker, Martha Lynch and Debbie Dunham. They heard address by Dr. Kenneth Clark, Dean of the College of Arts and Sciences, University of Rochester, on "Virtues and Abilities" and Rev. Charles Kinzie, Director of Cooperative Board of Christian Ministry of Alfred University on his trip to Selma. Students also attended group discussions on varying topics led by chairmen from different schools.

## Queen Contest Open For 4th July Celebration

The Andover Fire Department is seeking a Queen for its Annual 4th of July Celebration. Any Senior High School girl is eligible.

They must send a letter stating why they would like to be Queen of our Celebration, also touching on the following subjects: School Activities, Church, Civic Groups and their candid opinion of the Andover Fire Dept. Celebration. Forward all letters or inquiries to Ken Vars, Chairman of the Queen Committee.

To enable us to have a bigger and better 4th of July fireworks display, we are placing donation cans in principle business places in the Village, or a donation can be mailed to the Andover Fire Department care of Richard Hazelton.

## Village Clean-Up Days Announced

The Annual Village Clean-Up Days have been announced by the Village Board as Monday, May 24th and Saturday, May 29th. Residents are asked to have trash, rubbish, etc., at the curb by 8:00 A. M. for pick-up.

**No Garbage Is To Be Included!!**  
By having Clean-up Days on 2 separate days, the Board feels that it will give the majority of the local residents ample opportunity to get things cleaned out and have the debris out at the curb site by the scheduled early mornings.

## News That's Print To Fit

With the weather turning up nice for the past week, we see that many local residents have been getting their lawn, shrubs, and trees all putied up.

However, we wonder how many of these active citizens feel as badly as we do after doing a batch of digging up and replacing rose bushes that either froze out or just plain died during the rather open winter? We had to dig up and replace 11 of our favorite tea roses and have been stiff enough to cut up into pick handles ever since.

The only redeeming feature about the whole thing was that the Nursery where we purchased them from (Kelly's in Dansville) replaced the ones that died out which we bought last year as well as the two fruit trees that suffered the same fate—free of charge.

Yep, sure pays to do business with the people that advertise in our Newspaper! This reminds us that we have had quite a few comments on the beauty of our two Almy Flowering Crab Trees which are at the height of their bloom in our backyard. (Yep, you guessed it—they came from the same place). At any rate, they are just loaded with blossoms so if any of the old time prognosticators can read any weather predictions into this, wish they would enlighten us.

Along the same line, we noticed that the Village Crew has been hard at work getting the Village Streets cleaned and swept up—so-o-o-o it must be its getting towards Memorial Day.

Speaking of cleaning-up, reminds us that the Village Dump sure could stand a lot of it. Have you all noticed what a terrible looking mess it's been lately? In fact, it's reached the point where it's almost impossible to find a spot to dump anything—let alone get close enough to dump it over the edge—like the sign says!

At the risk of being accused of taking an over-dose of "nasty-pills", it seems as if the Village Board and Hizzonor would do something to remedy this situation since the sign along the busy Rt. 17 proudly proclaims that it is the "Andover Village Dump" and for residents of the Village Only—or something like that.

Sure makes a good impression for travelers approaching our "Fair Village" from the West doesn't it?

Along the same lines, at the conclusion of the last Village Board meeting that we attended (the one on the budget hearing), after first ticking us off about our local political leanings, the Mayor asked us what they had to do in order to get some favorable publicity, and co-operation.

We informed him that co-operation worked both ways and that when we received some—perhaps we could see a few things in a little different light.

What we would like to know is: When is this game supposed to start? Like this morning—Thursday morning that is, the day that we go to press, when our News Deadlines are Tuesday night, to send in a notice and announcement of the forthcoming clean-up and pick-up days by the Village Crew. The excuse given us was that they were so busy at the last Village Board Meeting (over a week ago) that they didn't think of it.

Needless to say, since the first clean-up day is this coming Monday, we are co-operating in the interest of the Village residents and are running it on the front page as a News Item. (The same as we have done in previous years). The only trouble is that we are unable to do the project due justice with an Editorial and other related reading material on such short notice.

Never mind Max, you aren't the only one that has flat tires. Ask Fred about it.

## Mrs. Pearl Brown

Mrs. Pearl Brown, Parkersburg, West Virginia, died Friday, May 14, 1965, following an illness of two weeks. She was the widow of Albert Brown, former residents of Andover and has resided with her sister in Parkersburg, W. Va., the past several years.

She was a member of the Anna W. McArthur Chapter No. 242, Order of the Eastern Star and a Past Worthy Matron of the Chapter.

Funeral services and burial were Sunday at Graydon, W. Va.

## Youth Baseball Fund Drive May 20 - 28

Once again we ask the cooperation of area residents to support, as they have so generously in the past, Andover Youth Baseball. The Fund Drive to support Grasshoppers, Little League and Babe Ruth Baseball will be conducted from May 20th through May 28th. It is expected that work on the new diamond in the Grove will be sufficiently complete so that it may be used for the playoffs this year. Your funds have supported this work and can bring it to completion. Solicitors, whose names follow, are asked to turn in funds collected to Mr. and Mrs. Bernard Rauger at 26 Dyke Street between 4:30 p. m. and 6:00 p. m. May 28.
