Applications Being Received For Military School Appointments
High school juniors and other young men between the ages of 17 and 21 interested in seeking an appointment to one of the United States military academies should write to Rep. Charles E. Goodell immediately.
The Congressman said today he is receiving applications for the appointments he will make for the summer of 1966.
Goodell said applicants will be expected to take the U. S. Civil Service designation examination scheduled for July 12, 1965. The test will be held in a number of area cities.
Applicants for the appointment from Goodell must be residents of the 38th Congressional District which includes Steuben, Schuyler, Allegany, Cattaraugus and Chautauque Counties.
The Congressman will make appointments to the U. S. Military Academy at West Point, the U. S. Air Force Academy at Colorado Springs, Colo., the U. S. Naval Academy at Annapolis, Md., and the Merchant Marine Academy at Kings Point, N. Y.

"This is a wonderful opportunity for young men from our area", the Congressman said. "My appointees will get four years of intensive training and will graduate with college degrees and a military commission. They will be following in the footsteps of many National heroes. I encourage all who are interested to write to me in Room 1017, Longworth House Office Building, Washington, D. C. 20515. They should do so immediately."
Next to a visit from a high pressure salesman, nothing is so annoying as to step on a wad of wet chewing gum.
One of the toughest decisions to make is when to discard a toothbrush.
