## Editorial

by Jean DeRemer

Almost a year ago, I was told I would be this year's Editor. That year has passed so quickly. I hope it was an enjoyable year for the readers; it has been very wonderful for me.

I want to thank several people for their help throughout that year: Mrs. Woodruff for all the time she spent re-writing hastily written articles; the Hi Herald staff, who were usually faithful with their assignments and the Andover News for publishing these articles.

To next year's staff, a hearty welcome. Whoever is Editor will gain a great amount of experience. May you have a very successful year.

Once again, thank you, everyone.

## Conservation Essays

Three boys from Andover Central School, Jeff Stevens, Terry Scott and Bob Gayhart, have won First, Second and Third places respectively in the Conservation Essay Contest, County level. The topic assigned was, "What We Can Expect From Our Soil and Water Conservation Districts".

## Marching Band Receives Gift From American Legion

At the Annual Memorial Day Assembly held in the high school auditorium May 28, the Andover Marching Band received a ten-dollar check from Craig Snyder on behalf of the Andover American Legion.

The ladies Auxiliary also donated a ten-dollar check to the Band. The marching band plans to take part with Andover Legionnaires in the Eighth District Convention to be held in Belmont on June 19.

The band would like to take this opportunity to publicly thank the Legion for their generous contribution and their continual support. Such interest is very much appreciated.

A nail driven into a tree trunk would be at the same height from the ground five years later.

## Senior Interviews

On June 2, 1946 a daughter was born to Mr. and Mrs. Fred Miles. Diana Lee has two sisters, Carol and Terry. Before living in Andover, Diana lived in Friendship and Wellsville.

She has been very active throughout her high school years. She has been in FHA, 4 years; Chorus 3 years; Cheerleading, 4 years; Hi Herald, 2 years; GAA, 3 years; and a member of Student Council for one year.

Among Diana's favorites are: saying, "God helps those who help themselves"; pet peeve, people who snap their gum; color, blue; book, "On the Beach"; movie, "Come With The Wind"; food, Spaghetti; subject, Home Economics.

Her outside activities include bowling, swimming and roller skating. Diana plans to go to work next year instead of school. Best of luck to you Diana.

Can you remember who played the part of the traffic officer in this year's Senior Play? It was Bill Wahl, or I should say William Joseph Wahl. "Bill" was born on July 10, 1947. He has two brothers and two sisters.

During high school, while majoring in math and science, "Bill" found time to play basketball for three years. He was also stage manager for the junior play.

"Bill" is very often heard saying, "What?" His philosophy is, "Get all you can out of life"; and his pet peeve is, "People who are always trying to get ahead of everyone else".

Among "Bill's" favorites, we find that he likes tuna fish the best of any food. His favorite movie is, "Good Neighbor Sam" while his favorite book is, "Young Man In The White House". He likes the color dark blue; and enjoys physics the best of any of his subjects.

Next year, "Bill" plans on going to either Morrisville or Canton Tech. To "Bill" goes the Class of '65's best wishes for a most successful and pleasant future. Good luck, "Bill"!

This week's celebrity is the son of Mr. and Mrs. Richard B. Wightman, Davie Lynn Wightman. Dave was born March 8, 1947. Dave also has one brother and two sisters.

Throughout high school Dave has majored in math and science. He received third prize in the Geometry Award and this year he received a Regents Scholarship. He is a member of National Honor Society, Choir and Camera Club. In Dave's freshman year, he was class president and this year he is treasurer for the class. Also Dave was Business Manager for the Yearbook. He has played tennis for four years and wrestled for one year.

Dave's philosophy is "Live fast, die young, and have a good looking corpse". His favorite color is black; book is, "Let No Man Write My Epitaph"; food is steak; subject is math; saying is, "Hi Sweetie".

Next year Dave plans to attend Buffalo University.

This week the Hi Herald has the privilege of interviewing Janet Ann Woolworth. Janet lives with her grandparents, Mr. and Mrs. Lloyd Cory and her sister, Vikki. She was born January 2, 1948.

Janet has taken business courses throughout high school and plans to attend CCBI to take a Medical Secretary course.

In her ninth year, Janet was Secretary-Treasurer of her class and also a member of FHA and GAA.

In her tenth year she was FHA Historian and Vice-President of GAA. She was also in both the junior and senior plays. Janet was Vice-President of her class in her junior year and she is in Hi Herald. Janet has also been a cheerleader.

Janet's pet peeve concerns people spreading rumors. Her

philosophy is the "Golden Rule". Janet's favorite color is yellow, her favorite movie is "West Side Story", her favorite food is, Pizza and her favorite subject is English.

Everyone wishes Janet the best in her plans next year.

The Senior being interviewed this week was born August 26, 1947 to Mr. and Mrs. Clifford O. Nye and has two brothers and one sister. His name is Dennis Frank Nye.

Dennis has been very active in music and sports throughout high school. He has participated in Orchestra, three years; Band, four years; Camera Club, three years and Varsity Club, one year.

## G.A.A. News

On June 7 at Andover Central School, the Andover girls softball team defeated the Arkport girls' softball team with a score of 18 to 5. Both teams played a good game even in the rain!

## Downbeats

On Saturday, June 5, the combined efforts of the Andover Choral and Band Departments produced the Annual Musical "Check Your Worries".

This is the story of two Life magazine reporters sent to a small town to cover a celebration only to find themselves in the middle of a conflict. The results following made for an uproarious comedy enhanced by songs and dances. The Music Department under the direction of Mr. and Mrs. McClure did a fine job and produced a very entertaining evening for all attending.
