**Racetrack Rambles Cont.**

Altogether, 24 cars started in this rip-roaring classic so there was quite a lot of tin-scraping and fender-bending throughout the entire race with Bill Layfield being spun out in the last lap only being able to still place first by his quick recovery and the fact that he had built up a fairly good lead over Lyle Cornelius whose car had slowed down in the last few laps with the engine cutting out slightly in the turns. Howie Slocum also turned in a really fine performance driving Bill's regular No. 121 as he gradually worked his way up thru the pack from his starting position and wound up in the No. 3 slot.

For a brief re-cap of the evening's results: In the Sportsman Class—Eddie Fay, No. 15X, won the 1st heat; Dick Seaman, No. 22, the 2nd; and Orvil Sherwood, No. 78, the "Consy"; with Eddie Fay winning the Feature; Bill Layfield, No. 54, placing 2nd; Dick Seaman, No. 22, 3rd; Bill Deming, No. 11, 4th; and John Sharp, No. 54B, 5th.

In the 1st 50 laps of the Modern 100 lapper—Bill Layfield, No. 121, was 1st; Lyle Cornelius, No. 04, 2nd; Howie Slocum, No. 21, 3rd; Harold Sherwood, No. 11, 4th; Basil Schutt, No. 13, 5th; Bob Gee, No. 260, 6th; Floyd Green, No. 7, 7th; and Ray Kent, No. 28, 8th.

**DEMING & HIDEK WIN FEATURES AT WOODHULL**

Bill Deming, No. 11, won the Sportsman Feature at the Woodhull Raceway Sunday afternoon; while Paul Hidek, No. 6, added another victory to his fast growing string of checkered flags.

Sunday afternoon, with the mercury standing at around 90 degrees, it was really HOT at the Woodhull Raceway. But that sure didn't stop 26 cars from starting in the Sportsman Feature—nor 18 in the Modern Feature.

However, by the time that the Sportsman Feature was ended, only about half of the cars were able to cross the finish line with many of them lined up on and around the track, in fact, it looked more like the results of a demolition derby—than the real McCoy which was held after the two features were completed.

Brian Woodworth, No. BC, moved out in front and led the field for over half the race until he had to ease off—apparently from his engine overheating—which gave Bill Deming the chance he had been looking for, and out in front he went—and stayed, closely pursued by Tuffy Chalmers, No. 218, and Daryl Dennis, No. 822, with the boys crossing the finish line in that order.

The Modern Feature was really a wild and woolly affair with Lyle Cornelius, No. 04; Bert Belknap, No. 66X; Floyd Green, No. 7; and Bill Layfield, No. 121; giving Paul Hidek a real run for the money and finishing up in that order. This race was highlighted when George Shaddock, No. 67X, from Watkins Glen, tried to pass Paul by cutting short across the No. 1 and No. 2 turns—only to end up by rolling over 3 times and landing back on his wheels. This brought the race to a screeching halt—and ended it as far as No. 67X was concerned with parts laying all over the track where they had flown as he rolled over, and over, and over—although miraculously enough, George apparently wasn't injured from his wild ride.

For a brief re-cap of the afternoon's races: In the Sportsman Class—Dave Scouton, No. 25, won the 1st heat; Bill Deming, No. 11, the 2nd; and Brian Woodworth No. BC, the "Consy"; with Bill Deming taking 1st in the Feature; Tuffy Chalmers, No. 218, 2nd; Darryl Dennis, No. 822, 3rd; Chuck Wright, No. 66, 4th; and Brian Woodworth, No. BC, 5th.

In the Moderns—Ray Kent, No. 28, took the 1st heat; Paul Hidek No. 6, the 2nd; and Lyle Cornelius, No. 04, the "Consy"; with Paul Hidek taking the feature; Lyle Cornelius, 2nd; Mert Belknap, No. 66X, 3rd; Floyd Green, No. 7, 4th; and Bill Layfield, No. 121, 5th.
