The Andover News today joined Vehicles to assist Allegany County area motorists who have changed their addresses recently to renew their automobile registrations for 1966 without difficulty.

Car owners who have moved to a new address or are contemplating such a move within the next few weeks—but who have failed to tell the Department their new ad dress — are urged to fill out the form on this page and mail it immediately to the Department.

"The Department will begin printing identification data on the new punch card registration renewal applications for 1966 within the next few weeks," Motor Vehicle Commissioner William S. Hults said. "These application for renewal are destined to be mailed to all owners of New York

State registered vehicles and w-

The pre-printed punch card applications are a part of the new system of staggered-registration-permanent-plates program which the Department is installing for the next and subsequent years. The mailing of the application follows the same procedure as the driver license renewal system which was adopted in 1961.

"Lacking the correct addresses.

"Lacking the correct addresses. however, it is obvious that the cards may be delayed in getting to the owners through the main This will put everyone concerned to needless extra effort and inconvenience."

The Commissioner also pointed out that it is vital that owner sup-ply all the information requester on the form since all is needed to
