

Bonita Kay Fuller

Announce Engagement

Mr. and Mrs. Grant Fuller of Andover have announced the engagement of their daughter, Bonita Kay, to Byron L. Hellquist, son of Mr. and Mrs. Ernest E. Hellquist of Hibbing, Minn.

Miss Fuller, a graduate of Andover Central School, and a 1965 graduate of Central City Business Institute of Syracuse, is employed at General Electric in Syracuse.

Mr. Hellquist is a graduate of Hibbing High School. Is with the Air Force, stationed at Ski-Top in Syracuse, where he is taking the foreign language program.

A Fall wedding is planned.

Appreciation

I wish to express my appreciation for the cards, gifts, flowers and other remembrances sent to me while I was in the hospital.

Hazel McAndrew

**Drive it now!
Chrysler's
all-new economy car—
Simca 1000 with the
5-year/50,000-mile
engine and drive train
warranty***

It covers parts that could turn other cars with shorter warranties into expensive propositions: vital drive train parts, vital engine parts. And it pays for both replacement parts and labor.

No other economy import's warranty on these parts lasts even half as long as the warranty on Simca 1000.

What kind of car rates this protection? A family car with sports car features: Porsche synchronizers; 4 forward speeds; 4-wheel independent suspension; a 50-hp rear engine.

And more.

Test drive one at your Simca dealer's.

HERE ARE THE FACTS: Chrysler Motors Corporation warrants all of the following vital parts of the Simca 1000 for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material or workmanship will be replaced or repaired at an Authorized Simca Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, water pump, intake manifold, Trans-Axle parts and rear wheel bearings.

HERE'S ALL YOU MUST DO: Give your car this normal care—change engine oil and retorque the cylinder head at first 100 miles and thereafter change engine oil every 3 months or every 4,000 miles, whichever comes first; clean oil separator every 6 months (spring and fall); clean carburetor air filter every 6 months and replace it every 2 years; and clean the crankcase ventilator valve oil filler cap and change Trans-Axle lubricant every 6 months, or 8,000 miles, whichever comes first; AND every 6 months furnish evidence of this required service to an Authorized Simca Dealer or other Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

New Look at Comfort . . .
