Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly then this will be your answer. An extremely small hearing aid using tiny energized unit has been perfected by a man who himself is hard of hearing and has been for over 10 years. With his new aid, even whispers are crystal clear and your closest friend will never know how you hear so perfectly: If interested it is suggested you write HEARING 32 East 9th St. Erie, Pa. You will receive full information at no cost or obligation whatsoever.
