

**"TREATS FOR TOTS" — FUN FOR ALL YOUTHS!**  
An Editorial

Last year it was very gratifying to see that Andover Central School Students were capable of showing good judgement in their treatment of Hallowe'en.

To the best of our knowledge, the Village Streets were kept clean all evening, thereby eliminating the possibility and danger of any motorist being injured or having their autos damaged from this source.

We also credit the parents and grown-ups for contributing their share towards making it the most quiet and damage free Hallowe'en here in many years.

Of course, there was the usual amount of window soaping and hi-jinks that is normally considered part of Hallowe'en.

This year we would again like to see this exemplary type of conduct shown by both the children and parents as well as the rest of the grown-ups.

We certainly can't see where any useful purpose can be served or strength of character developed in young people of today if parents allow half or two-thirds grown children to roam the streets with large paper bags collecting their loot in a door-to-door canvass under the threat of "Tricks or Treats"! To us, this appears as a modified type of blackmail because the gist of the expression is that if you don't give me a treat I'll pull a dirty trick on you!

How much better it sounds to have a "Treat for Tots" expression for the tiny kids to use when they are all dressed up in their Hallowe'en costumes and go to pay their neighbors a brief call to show off their finery, and of course accept a hand-out if offered.

Last year the Chamber of Commerce and members of the American Legion got together and put on a program for all local school children which was climaxed with a dance at the Legion Home. This was well attended with everyone appearing to have a good time.

This year the same two groups have made the same arrangements and are presenting an evening's entertainment for our young people.

There will be the usual Costume Parade, free cider and donuts, and then a Youth Dance for all Junior and Senior High Students of Andover Central School at the Legion Home starting at 8:30 P. M.

The success of these ventures will be strictly up to the Students of Andover Central School! It has resulted from their suggestions in the past—and they will be reaping the harvest.

Let's hope that the interest shown by the adults in making this possible won't be in vain!
