

Greenwood Central School News

The Public Relations Committee Chairman, Mrs. Anna White, of the Greenwood Central School Teachers Association, has announced plans for American Education Week, November 7-13. The annual Open House for all parents and friends of the school will be Wednesday, November 10th at 7:30 P.M.

The nation wide theme for the week is "Invest in Learning". Beginning Sunday, November 7, each day will highlight a different thought for this investment: Sunday, to strengthen moral and spiritual values; Monday to cultivate the intellect; Tuesday to enhance personal fulfillment; Wednesday, to improve earning power; Thursday, to develop good citizenship; Friday to enrich family and community life; and Saturday, to deepen international understanding.

Thirty members of the Greenwood Chapter, Future Homemakers of America attended the Annual Fall Rally of Southern District B at Homer Central School on Saturday, October 23rd. The girls were accompanied by their advisor, Mrs. Shirley Cook and Mrs. Evelyn Greene, and Mrs. Rachael Holt, Chapter Mothers.

The theme of the Rally was "Neighbors Near And Far". A panel of foreign students was presented the FHA National program of work.

The Greenwood Chapter assisted in the opening ceremonies.

Patricia Hanbach, district treasurer, was in charge of financial transactions for the meeting.

It's only natural...

naturally sharp for crisp, clear images... naturally fast to give detailed pictures of moving subjects... and natural in color to capture everything you photograph just the way your eyes see it. Actually, Agfachrome is the only color film available today to give beauty with freedom to your color pictures (and, after all, isn't that what you buy a color film for?)

To insure these natural qualities, Agfa insists on processing your film quickly, correctly, in their own laboratories. A service included in the price of purchase.
