School Spirit

Do you have school spirit? Just how can you tell whether or not you have school spirit? Answer the following questions: Do I like to attend ball games and important sports events? Do I enjoy participating in these sports? Do I attend parties and social events put on by the various organizations? Do I do my best in every club of which I am a member? Do I even have enough ambition to join these organizations? These are only a few questions which help in determining school spirit. If you can answer yes to everyone of them, you undoubtedly have school spirit. Unfortunately we all cannot answer yes to the questions.

Just what is school spirit. Well, to me, it's a kind of special feeling about our school. When you're glad you belong to your school, you have school spirit. When you like your teachers and enjoy helping them, you have school spirit. When you anticipate the upcoming of a game and have high hopes of winning you have school spirit. You even have school spirit when you just like the looks of your school and are thankful for it.

It is true that school spirit might weaken over a period of years. For example, year after year it seems we've had a pretty rough time in sports, especially basketball and many of us just decided it was downright silly to go to a game and cheer for a losing team. But it is my and many other's opinion that this year school spirit can be repaired and mended like new. We had a very good basketball team this year and our hope for a very successful year should be in our team.

School spirit should exist in more than just sports. Many hold the opinion that dances held by certain organizations are going to be a flop because "so and so" doesn't go or nobody else is going. Why should I? The person or persons who aren't going and in turn cause you to stay home or go otherwise probably have the same attitude as you. If none of these people held that attitude everyone would go and surprisingly enough have a wonderful time. Let's start having a good time together.

Junior News

The Junior Class still has some pens to sell. The cost is 50c. If you wish to buy one contact any Junior. Better hurry before the pens are gone.

Senior News

The Seniors are selling Mason Candies to help them earn money for their trip to Washington. The Seniors would appreciate it if you would contribute to this worthy cause.

There's a dance Friday night. Why don't you come? It'll be fun and we'll support a worthy organization at the same time.

Also help more in planning and carrying out these social events. If you come and have a good time, then you could also do your part in helping make it a success by volunteering to help decorate or clean up. If everyone helps, things are much more fun for everyone.

Let's all strive to improve school spirit now! There's no better time!
