It seems that Mr. Russell is having a difficult time getting enough boys together for a wrestling team this year. What's the matter with you boys?

For some boys, laziness is probably the excuse. An hour's practice after school and a few meets won't do you any harm, will it? Laziness is a very poor excuse.

Some might think they will not be successful in the sport because they are new at it or they are not really strong. You might discover that wrestling is a sport of great interest if you take the time to learn the proper rules and practices governing it. You never know what you can do until you try.

A few years back when a wrestling team was organized, a great

deal of very expensive equipment was purchased by the school in order to make wrestling easier and more profitable for the members of the team in the years to come. Are you boys going to stand by and let these materials go to waste? We wanted them so badly and now that we have them, nobody wants to put them to use.

We students at A. C. S. would like to see a good team carry our name to victory this year. You boys who are not involved in any other sports can make this possible. Why not at least try?

College Boards

Several seniors took the College Board Exams in Wellsville on Saturday. They were: Bob Joyce, Larry Cook, Marcie Middaugh, John Wahl, Jeanne Harvey, Kathy Shellman and David Meacham.

Tuesday, December 7, marked the Twenty-fourth anniversary of the bombing of Pearl Harbor, an event which entered the U. S. into the Second World War. Stopping to think for a minute of its significance, it is hard not to think also how lucky each of us is to be living in the U. S.

Of course, all countries have their problems and the United States surely has its share, but support behind our true principles will see us through the rough spots — like the war in Viet Nam.

Many of our local boys are defending this great Union of ours in time of crisis. Several area towns have started a campaign to send Christmas Greetings to area servicemen. Lists appear daily in the Wellsville Reporter. Let's join the rest of Allegany County in

wishing "our boys" a Merry Christmas. If you know of any local servicemen who have not been mentioned, send their names to the Wellsville Reporter — and use those extra Christmas Cards by mailing them with your Christmas wishes to the defenders of your Country. Now is the time to act!
