Hail The Christmas Season !!

The students of A. C. S. would like to congratulate our merchants for a marvelous job on decorating Main Street. There have been many compliments on our new look. (thanks should also be expressed to Mr. Barden's elf crew for a fine job on tree boxes!)

We have also noticed that our townspeople have been busy putting up decorations at home. However little has been done to dress up dear old A.C.S. this Christmas that is, on the outside.

The question has been asked, "Why Not?"

Everyone replies, "No Money." What is wrong with our Student Council then?

Dances are held throughout the year, so they must surely have a treasury! Why not buy lights and decorate that lovely, old pine tree in the front yard?

Little can be done this year but wouldn't this be a worthwhile project for next year?
