"The Meaning Of Christmas"

Little time seems to be left over in the busy holiday season around Christmas. Everyone is running somewhere to extra activities and the rush of last minute shopping eludes the mind. There is a quick clearing session and planning of the Annual Christmas Dinner. Hurried wrapping of gifts and sending of Christmas Cards can't be disregarded. There just doesn't seem to be any extra time to spare for the simple Christmas of earlier years.

Gradually, we are losing the true meaning of Christmas by over commercializing. Most people neglect to observe the birth of Christ by attending church or giving a special prayer at home. Christmas has become a day for giving gifts—But why? How many of us remember that this began when gifts were given to the Christ Child by the Wise Men. The gifts were to make his life easier.

During this Christmas Season let's try to make up for our neglect. Each of us should observe the Birth of Christ in some small way. Thank God that we are lucky enough to be able to take the time to observe Christmas. Some people—like our soldiers in Viet Nam—might not be able to. Let's not forget the true meaning of Christmas!
