### Road Contract Let In Allegany County

Governor Rockefeller has announced the award of a contract for \$2,022,222 to the Potter DeWitt Corp., of Pavilion, New York for reconstruction of four miles of Route 243 in the Town of Rushford, Allegany County. The firm submitted the lowest of ten bids to the State Department of Transportation. The State's share of the cost of the project will be paid with funds from the Transportation Bond Issue approved by New York voters in 1967.

The present 18-foot-wide road will be rebuilt with a 24-foot-wide asphalt pavement and 12-foot shoulders, generally on the existing alignment except where curves will be eased. Work will extend from the Cattaraugus County Line southeasterly to about 0.83-mile southeast of Brookside Road. Intersections will be improved and new culverts installed at Indian Creek and other streams.

Scheduled for completion by September 22, 1971, all work will be under the supervision of Lewis W. Halenbeck, acting regional director for the State Department of Transportation at Hornell.
