HALL OF FAME

Deborah Lynn Baker

The 1970 Salutatorian, Deborah Lynn Baker, is the first to be honored in this year's Hall of

Fame. Debbie is the daughter of Mr. and Mrs. Robert D. Baker.

Throughout high school, Debbie has majored in Science and Spanish. She has been an active member of Band and Chorus and is also a member of the National Honor Society. Debbie is now the co-editor of the 1970 Yearbook and was the editor of the Hi Herald in her Junior year.

She is very active in the organizations around school and now serves as the President of Student Council. In her junior year, Debbie placed first in the Oratorical Contest and went on to place second in the County. She, also, has received both the American History and D.A.R. Awards. Debbie played major roles in both her junior and senior plays.

She now plans to pursue a Liberal Arts course at Alfred University or the State University of New York at Geneseo, having been accepted at both of these schools.

The students here at Andover Central School wish Debbie the best of luck in the future.

SPRING!

March 21 is the first day of Spring. I thought it would never come!

Although it may not look like Spring, this Saturday is officially the beginning of a new season.

To me, especially this year, Spring is the season which brings relief. It lifts my spirit and provides something for me to look forward to — summer.

Spring is defined as the season of the year between winter and summer. In the Northern Hemisphere, Spring begins on the day the center of the sun is directly over the equator. Spring lasts until June 21. In the Southern

Hemisphere, Spring begins in September and ends in December. In Leap Year, Spring begins a few hours earlier.

Spring is the time of year when life begins again in nature. In many countries, the people have festivals celebrating Spring.

There have been hundreds of poems written about Spring. They say a young man's fancy turns to love in the spring time.

For me the emotion of Spring is second only to the emotion of love.

Senior Interview

by Susan Church

On October 19, 1951, Mr. and Mrs. Donald Price became the parents of Dennis Herbert Price. Dennis has three brothers, Donald, Roger and Terri. His major is Machine Shop at BOCES. Dennis' plans for next year consist of his going into the Service.

Dennis' hobbies are playing the guitar and eating (which seems to be a universal favorite.) In the Senior Play he played the part of Arne.

We at Andover Central School wish Dennis the best of luck in the future.
