## HALL OF FAME

Mary Kathleen Smith

The final member of this year's Hall of Fame is Mary Kathleen Smith. Born on September 2, 1952, Mary is the daughter of Mr. and Mrs. James F. Smith. She is the oldest member of a large family, having four sisters — Linda, Teresa, Marcella, and Monica, and two brothers, Jim and Jeffrey.

Throughout high school Mary has been very active. She has majored in math, science and Spanish. Mary received the D.A.R. Essay Award in Eighth Grade and second prize in the Geometry Award as a Sophomore. She has been a member of the National Honor Society for three years and also represented her school by attending Girls' State at Albany, N. Y.

Among Mary's many activities are: F.H.A., three years; F.N., two years; Chorus, three years; G.A.A., two years; Hi-Herald, three years; Band, one year; Red Cross, two years; and Cheerleading, two years. She left us last year to attend Hunterden Central High School in Flemington, New Jersey, but luckily she is back again. Mary was vice-president of her sophomore class and is currently President of the Senior Class. She is also Lay-out Editor for the 1970 Yearbook.

Mary includes among her outside interests — dancing, reading and sports. She has recently been accepted at Geneseo State College and plans to study Spanish.

The students of A.C.S. would like to wish her the best of luck. We know she will do well in whatever she tries to accomplish.

**SPRING VACATION**

Well, we have finally approached the week known so well as Spring Vacation. It has been long awaited and it seemed as though it would never come. With luck, the weather will be warm and everything will turn out perfectly.

"What am I going to do over vacation?" — is a common question for some and a foolish question for others. We Seniors will embark on our trip to Washington, D. C. For us this next week is the week we have worked for since we were freshmen. It is to be the most important thing we have ever done as a class. It represents the near culmination of thirteen years of friendship and companionship as students.

But what are you going to do, well, you could indulge in Spring cleaning or you could take a leisurely attitude and do nothing but rest, relax and have fun. Whatever you do, think of us in Washington. Think of us far from home in that great city, the capital of our nation. Think of it as we will as an introduction to society and to the government in which we too will soon have a voice.

### Career Day

by Philip Pelton

Last Thursday, April 9, 1970, the students from the high schools in Steuben County and Andover Central School were invited to a Career Day in Hornell. The students from Andover were accompanied by Mr. Russell.

This was a chance for eighth graders interested in a certain career to listen and to talk with people who have chosen the students own particular interest area.

### Purple And White

by Jim Howland

Spring, baseball, and track are now all officially here. Spring has been having a bad season thus far. Hence, additional flowers and gentle rains are on order. It is hoped that they will arrive shortly.

"The baseball team this year is in need of pitching personnel" says an interviewed student. Coach Hewes has a great deal of raw talent to choose from. There are seventeen boys out.

The track team fared somewhat better. There are twenty-five boys out for the illustrious and hard-working track squad. Returning from last year are:

Miller — Doug Green  
Sprinter — Stub Fuller  
Sprinter — Ron Godown  
Discus Hurler — Alex Burr and Randy Potter

There are others, but they will be continued next week. There are also some promising first-year men. Actually all the boys out are going to be valuable to the team. May the wind always be at your back.

### Senior Interview

by Grace Herr

Cindy Preston makes the Society Column this week! Born January 18, 1953, she is the daughter of Mr. and Mrs. Merton Preston.

Cindy is probably one of the most active persons at Andover. During high school Cindy was Student Council representative of her Freshman class, President of her Junior class, and Treasurer of the Senior class this year. She has also been in Hi-Herald for four years and is Editor this year. Cindy is Advertising Editor for the Yearbook this year also.

In the music field, Cindy is very active. She has been in Band and Chorus during all four years of high school. All-County Choir and Area All-State Chorus have both been privileged to have Cindy in their midst. She also won the Music Clinic Scholarship in her Junior year.

Cindy has been in F.H.A. for four years and was a delegate to the State Convention in her Junior year. She won the Freshman Award in her Freshman year and the Geometry Award in her Sophomore year.

As for her plans for the future, Cindy has been accepted at William Smith, and plans to take a Liberal Arts course.

The Students at A.C.S. would like to wish Cindy the best in everything, and we know she'll succeed.

### Junior News

by Andy Gram

The Junior Class would like to thank everyone for making our play, "Up The Down Staircase" such a great success. It was such a success that we made \$245.58 profit. Again we would like to thank everyone and especially Mrs. Kessler.

The 4-H program in the United States now reaches nearly four million youth, an increase of 400,000 over 1968.

### Assembly

The faculty and the student body (Grades 5 - 12) enjoyed an assembly on Thursday morning presented by Jack Chase, who is a perfect example of the "never - say - die" attitude of the true American athlete. He was stricken with polio at the age of twenty which left his limbs paralyzed. Since then he has graduated from the University of Illinois and the Life Bible College of Los Angeles traveled all over the world and participated in over a thousand athletic events.

While in California, he played with the "Flying Wheels", a basketball team composed of disabled veterans. He has toured South Africa, Southern Rhodesia and Europe. The purpose of the tour was to demonstrate to those countries the possibilities of activities and employment for the physically handicapped.

All who saw this assembly would have to agree that it was not only educational and entertaining, but also inspirational as well.

### Shrine Circus

by Jeanette Kent

Saturday, April 4, the Sixth Graders attended the Shrine Circus in Buffalo. They left Andover by bus about 6:30 in the morning. They were met at Yorkshire by the State Police, who escorted them to the Buffalo City line. At this point the Buffalo Police took over on their motorcycles. There was a total of 18 school buses.

They attended the Circus at 10:30 a. m. and arrived at the Buffalo Zoo at 1:30 p. m. from here they took their own lunches, but they took their own lunches, but milk and Cracker-Jacks were furnished to them.

They left the Zoo at 2:30 and arrived back in Andover, tired, but happy, at 6:00.

The chaperons were Mr. and Mrs. Russell, Mrs. Boyce, Mr. Fuller and Mr. Mulholland.

## A SAFETY MESSAGE

from Dodge's TV "Sheriff" JOE HIGGINS

Funny how some folks can be polite, courteous ladies 'n' gentlemen until they get behind the wheel of an automobile.

Somethin' seems to come over 'em and you can almost see the devil horns 'n' fangs poppin' outta their heads.

Never could understand how some folks can come out of church on Sunday then get all red-faced, honkin' horns, cussin', and cuttin' other folks off gettin' outta the church parkin' lot.

Don't get all riled up and churnin' inside if you're cut off or the fella up ahead is a little slow. If you're in bumper-to-bumper traffic, it don't hurt none to let the fella waitin' on the side street into the traffic flow.

The Golden Rule is mighty old but it ain't never gonna be outta style—treat other folks like you like to be treated yo'self. You'll feel better for it—somethin' like havin' the Christmas feelin' all year 'round.

A polite driver is a safe driver.

Ya'll drive careful now, heah!
