

Proclamation State of New York Executive Chamber

New York State has more than two million residents over 65 years of age. They possess a priceless gift — the wisdom and experience which only the passage of time can allow.

To help enrich their days, and to give their life continued meaning, our state conducts many meaningful programs, especially through our Office for the Aging.

If our aged are to continue their unique contributions to our society this work must continue, and the general public must be made aware both of the achievement and the potential of our aging.

NOW, THEREFORE, I, Nelson A. Rockefeller, Governor of the State of New York, do hereby proclaim the month of May, 1970, as

SENIOR CITIZENS' MONTH
in New York State.

GIVEN under my hand and The Privy Seal of the State of the Capitol in the City of Albany this eighteen day of March in the year of our Lord one thousand nine hundred and seventy.

NELSON A. ROCKEFELLER

Top to Bottom — Earl Buchholz really has "a load on" — his pick-up truck between the students and the litter that they collect.

"Johnny" Richardson has quite a good sized crew of "SOUL" helpers in Saturday's big clean-up. Doris Ann Jackson had the first load collected from the Legion Park and judging from the bulge in the tire — it's a pretty heavy one.
