The procession will re-form and proceed to the Legion Park where the Flag will be raised from half mast.

There will be a short ceremony at the monument in the Legion Park. Following the raising of the Flag at the Legion Park, the Color Guard, Legion and Legion Auxiliary will go to the Gate of Heaven Cemetery where a short service will be held.

In case of inclement weather the program will be carried out in the auditorium of the Andover Central School.

A Memorial Day Program will be held at the Andover Central School, Friday afternoon at 2:30 p. m. Legion and Auxiliary members are urged to attend.

Commander Tuttle said an invitation to all local organizations has been extended to participate in this Memorial Day Observance and cars will be furnished for the Gold Star Mothers, Woman's Relief Corps, Legion Auxiliary and others who wish to ride.

All ex-servicemen are urged to come out and participate in the Memorial Observance. If that uniform doesn't fit — come out and march anyway.

Memorial Day observances have been carried out in both the North and the South since 1868, a tradition begun "to respect comrades who died in defense of their country." For many years after the Civil War, the Grand Army of the Republic in the North and the Confederate Veterans in the South took charge of Memorial Day services in their respective communities.

When these organizations became unable to carry on actively these rites (which include the decoration of all known veteran grave sites), The American Legion pledged its help to the perpetuation of the annual observance of Memorial Day, Commander Tuttle explained. Although it began as an occasion to commemorate the dead of all wars, Memorial Day has since become a time for the decoration of graves of family and friends.

In urging the widest possible participation by Andover residents in Memorial Day services, Commander Tuttle referred to the following excerpt from Gen. John A. Logan's original order for the observance of Memorial Day:

"Let no avarice or neglect, no ravages of time testify to present or coming generations that we have forgotten as a people the cost of

Andover Area Churches To Conduct Census On May 24th

On this Sunday, May 24th the churches of the Andover area will take a special church census and a census for the Allegany County Senior Citizens' Rural Information Center. The church census will be of the township of Andover.

Volunteers will make their call, both within the village and the township beginning Sunday afternoon. The church census will be used to discover the religious preference and/or affiliations of the people of Andover. The Senior Citizen Census will include questions about length of residence in Allegany County, date of birth, means of transportation, hobbies, occupation, etc. — all questions which will prove to be helpful as the Andover churches and the Senior Citizens' Center attempts to meet the needs of Senior Citizens in the Andover area.

If you would like to help in the census, please contact Rev. Minarcik (478-3922). We hope that you will be home to take part in the census. The participating churches will be: Blessed Sacrament Roman Catholic Church, the United Methodist Church, The Baptist Church, and the First Presbyterian Church.

A special ad may be found on page 5 of the Andover News. If you will not be home this Sunday it would be most helpful if you left this form out for the census takers.

Dear Sir: I have been thinking about you, while my mind wanders and scribbles for it, wondering who is sending it to me?

We sure enjoy living in our mobile home and the nice weather we have here. We are also happy to have our son, Donald who retired last year after 21 years in the Army including time in Viet Nam; living with his family in Chandler, just ten miles from us.

I just had surgery — a double hernia, so I sure will take it easy all summer. We had a wonderful time for nine days as our youngest daughter, Marian and husband and family flew in from Syracuse at Easter time. We went to California for four days; to Disneyland and also the Grand Canyon.

Wonder about Mrs. Backus did hear from her sometime ago.

We will never forget the twenty five years we lived in Andover, sure a lot of new faces last year when we were there.

We had a pleasant surprise last week when Glenn Bronson and wife called.

Sincerely

Margaret and Dewey Northrup
