## Greenwood Central School News

The Greenwood Central School Board of Education meeting was held recently at the school with the following business discussed and acted upon.

The Board granted a request for the use of the kitchen, cafeteria and pool for the Lamphier Family Reunion July 4, and for the set fee and they have their own registered life guard, Mary Anne Mullen on duty.

The Board set a new rate for the use of the swimming pool as follows. Groups from the District may use the pool for \$6.00 flat fee for the use of the pool plus \$3.00 per hour for the lifeguard. Groups outside of the District the charge will be \$6.00 per hour for the use of the pool and \$3.00 per hour for the lifeguard. They may

use their own lifeguard if he is approved by the Board and has all the necessary lifeguard qualifications.

Troupsburg School was granted permission to use the pool for the summer of 1970.

The Board approved of Mr. Wright's recommendation to placing Ray Duke in charge of the audio-visual equipment instead of having a homeroom assignment.

The requests for picnics later in June were denied. These are social trips and according to the policy set up earlier in the year these are not going to be allowed.

School lunch prices will be raised beginning September 1970, due to a substantial decrease in Federal Aid next year, according to a letter received notifying us of a reduction in Federal subsidy, the prices will be as follows: K-6 — 25c, grades 7-12 — 35c and teachers lunches, 55c.

Mr. Wright was authorized by the Board to send bids out for the resurfacing of the parking lot.

As there will be some seniors next year that will need a math course to graduate, the Board agreed to allowing a year of book-keeping to satisfy this math requirement.

Colon-rectum cancer strikes 73,000 Americans each year. Three-quarters might be saved by early diagnosis and proper treatment.
