Dear Sirs:

Will you please "hold" the News after May 29th til further notice as we expect to take our "home away from home" (trailer) and start North on June 4th.

We hope to explore some of the private, State and National Parks between here and New York State and should arrive there some time in July. We never travel over 200 miles per day, also expect to stay up in the Smokies (Smoke-mountain) for a week or so.

Had the first rain today, since March 26th. Things got pretty dry.

Thanks again
Arthur Burdick
