

Worthington Turbine International Inc. will hold an open House Sunday (June 14) from Noon to 5 p. m. The open house will include tours of the plant with guides, who will also answer questions. Refreshments will be available. Visitors will also view the new equipment purchased over the past five years. In 1966, Worthington added a 31,000-square foot bay and in 1968, 26,000 square-foot addition. In 1969, a 30,000-square foot steel fabric building was constructed known as the Weld Shop. Also the fire protection system has been improved with the addition of a 40,000 gallon water storage tank and pump house. Also, 15,000 square-feet were added to the main office for additional space for office personnel.
