

Fourth Of July Celebration Plans Announced

This year's Annual Fourth of July Celebration in Andover has the promise of being the "biggest and best" since its beginning several years ago, and will have "Earth To The Moon" for its theme.

"Jim" Mulholland is General Chairman of the entire Celebration with John Murray Chairman of the Fourth of July Parade Committee with the following workers: Doris Ann Jackson, Larry and Lyvonne Ryckman, Frank and Anita Cahill, Dale and Diane Ordway, Stanley Ormsby, David Wightman, Wayne Grant, Ronnie Kemp, "Spud" Glover and Mel Mickle.

The candidate of "Queen" and her attendants will not be disclosed until the morning of the Parade.

The Parade is scheduled to start at 10:00 A. M., following the "Crowning of the Queen Ceremony" at 9:30 in front of the reviewing stand.

The Parade Committee has extended an invitation to any local residents, businessman, organization, or group, to enter a float in the parade. Prizes will be awarded to the top three winners. In addition to these prizes, there will also be two prizes awarded for the most unusual entries in the parade.

Other points of interest in the Fourth of July Parade will feature the Shriners and their Go-Carts; Walt Disney Characters and the Bag Pipe Band.

It has been announced by Village Officials that there will be NO PARKING along Main Street since there will be bands performing in competition for the prize money. Everyone's co-operation is requested to comply with this for public safety reasons as well as for the enjoyment of spectators along the sidewalks.

The Annual Chicken Bar-B-Q put on by the Andover Rod & Gun Club will be held from 12:00 Noon until all are served.

The Annual Firemen's Water Fights are scheduled to start at 2:00 P. M. and will continue until the competition is finished.

Also at 2:00 P. M. the Little League All-Stars will feature a ball game at the Central School Ball Diamond.

At 5:00 P. M. there will be a scheduled Baseball Game between the Andover Redwings and Scio on the Central School Ball Diamond.

In addition to these events, there will be "Kiddie Rides", Pony Rides, and several novelty, food and soft-drink stands available to the public throughout the day on the school grounds.

Then for the grand climax, the biggest display of fireworks to ever be touched off in Andover will commence at 9:30 — or whenever it is good and dark. An aerial bomb will be set off as a 10 minute warning before the fireworks display is started. Also, we have been told that the display will be set up so it can be best seen from the Grandstand — so judge yourself accordingly.
