## Redwings Finish Successful Season

The Andover Redwings have finished a successful season with an overall record of 18 and 9. This team did a lot of traveling with games in Buffalo, Medina, Arcade, DuBois, Pa., and at Watertown, which was rained out.

Dave Hollowell was the leading hitter with an average of .420. Dave also led the team in runs scored (23), hits (29), HR (5), and tied with Guy Grantier in RBI (18). Other big hitters were Steve Lewis at .360, who also led with doubles (7); Guy Grantier at .335 and Hank Sinkey at .321.

Lloyd Fourroux, was probably the best pitcher around, who won all 4 of his starts and had an amazing ERA of 0.29.

Everyone still remembers Dick Joyce's masterful pitching performance when he knocked off undefeated Friendship in one of the biggest games of the season for the Redwings. And also Hank Sinkey's 450 foot home run in the same game!

The Redwings wish to thank all of their fans, many of whom traveled to most of the away games as well. We hope to have a more successful season in 1971 with your fine support. Thank you. The Andover Redwings.

Monday afternoon, Mrs. Avery Mead and Mrs. Frank Holmes were presented the honors.

## Red Cross Fund Drive To Begin October 1st

The Allegany County Chapter, American Red Cross will commence its annual campaign for members and funds on October 1, according to fund chairman, Richard Burdick.

"Red Cross is different from other agencies inasmuch as we provide more than one program," said Mr. Burdick.

He urges contributors to consider what would happen if the Red Cross vanished from the face of the earth tomorrow — who would: Provide competent first aid instruction to our ambulance corps, firemen and others in key, sensitive positions?

Teach swimming, lifesaving and water safety to our young people? Take care of the burned out family?

Bridge the gap between tragedy at home and the soldier in Vietnam?

Shelter, feed and clothe the victims of disaster, such as Celia?

Give the morale boost to our fighting men at home and in all parts of the world?

Recruit, collect, analyze, fractionate, process and distribute blood to our hospitals so that it will always be available to you and yours whenever and wherever you need it without charge for the blood?

The answer is a resounding "no-body" for these and many other services are rendered day in and day out by our Allegany County Red Cross Chapter.

The campaign will be conducted in all areas of the county not covered by federated campaigns.
