### Children's Pictures This Year Taken In Color

For many years the News has been running a pictorial feature of the youngsters in this area as "Citizens of Tomorrow". In the near future we will again be publishing free a picture of all the children who are brought by their parents or other guardian to the Grange Hall in Andover between 2 p. m. and 6 p. m. on Monday, October 26.

#### LIVING COLOR

An expert children's photographer will take the pictures to assure uniform quality and size for best reproduction — and this year will be taken in natural living color. Please dress your children colorfully to take full advantage of the beauty of Color photography. The pictures will run in black and white in the newspaper.

#### NO COST TO PARENTS

There are absolutely no strings to this invitation nor are there any charges to the parents — they do not have to be subscribers or even readers of this newspaper to participate. Neither are the parents obligated to purchase any of the Color pictures taken.

Those who might desire Color photographs may obtain them by making arrangements with the Studio Representative when they select the pose they wish to see printed in the News.

There is no age limit and older children and family groups are especially welcome.

#### APPOINTMENTS

Appointments may be made by calling Mrs. Clifford Howland phone number 478-8621.

While appointments are not necessary to have your children photographed it could avoid your having to wait. Check this date on your

calendar now — Monday, October 26 and help us make this a memorable community feature.

Photography will be handled by the Dansville, N. Y., office of Woltz Studios, Inc.
