### Miracle Reports Well Received

Several guest speakers gave reports on Sunday night, Oct. 25, at the Andover Presbyterian Church on what prayer had done in their lives and the lives of close associates. The meeting, attended by approximately 100, was sponsored by a prayer group which prefers to be recognized as non-affiliated.

Highlights of the evening were accounts of local miraculous healings of heart disease, deafness, bone fracture, blood disease and others — some of which were instantaneous.

Because of the enthusiasm and interest shown by those present, future programs of a similar nature are being considered. Anyone desiring to contact the group which meets on Sunday evenings may write to Walter Redmond or Kenneth McClure, both of Andover.

## Defeat Rockefeller

We can't afford to have Rockefeller for four more years.

Taxes are too high and he will raise them. The State debt, which has tripled, creates a burden for the taxpayers.

The 1970-1971 State Budget is seven billion Dollars.

Drug addiction is our worst problem, the crime rate has increased many fold.
