U.N.I.C.E.F.

The Economic and Social Council of the United Nations makes studies and Recommendations to the General Assembly on international social, economic, cultural, educational, health and related matters. Within this council is the executive board of the children's fund — U.N.I.C.E.F. U.N.I.C.E.F. was started in 1950 when some children in Pennsylvania collected money and turned it over to the Children's Fund.

As far back as I can remember I collected for U.N.I.C.E.F. At first I just carried around the orange and black carton often wondering why I didn't get to keep the money myself. But as I grew older I began to realize that I was making a small contribution and that I was actually helping to save children's lives. Helping other people is important to me, as I'm sure it is to you.

And so, I am sure that when the children came around this year that you contributed to this worthwhile campaign. It is amazing how far your pennies go to help these unfortunate children whose only hope is you.

A Letter of Concern

To whom it may concern:

In the past two months there seems to have been a change in the attitude of the students. That feeling is apathy! Whether it is in school work or a social organization, there isn't that old feeling of excitement and interest. Everyone just seems to want to get done what has to be done and then leave. This isn't just my feeling many others I have talked with are beginning to feel the same way. I have no answers to this slowly growing problem. Only questions.

Is this apathy, or do we really have too much to do without adding more? Is school being replaced as a social and educational institution for merely one of education in its strictest sense? Are we becoming too independent to need school organized activities? Don't we need each other anymore? I really don't know. I only know that I have noticed some growing disinterest among the student body.

I believe an independent spirit is good. I feel we all must be alone at times but I also feel for people to grow and mature we must work together. In a song made famous by Barbara Streisand, these words ring true. "People who need people are the happiest people in the world."

Sincerely,
Your Co-Editor

Soccer

by Rod Brown

Andover finished its scheduled soccer league with a 7 win, 3 loss, 1 tie record. They finished in an over all third place in the D-C League and a three way tie in the C League with Alfred-Almond, and Fillmore. This meant a playoff and Alfred-Almond drew the bye so Andover played Fillmore Thursday, October 29, at Belfast. Andover was defeated 3 - 1.

Mike Jackson scored the only goal for Andover. Fillmore went on to beat Alfred-Almond Saturday 4 - 0, which makes Fillmore the C League Champs. Congratulations to the team for a fine year of soccer.
