Washington, D. C. — Rep. James F. Hastings announces that the federal government had made grants for more than \$8 million to aid in construction of water pollution control projects in the 38th Congressional District during the fiscal year which ended last June 30.

## Allegany County Schools Honor Senior Citizens

Several Allegany County Schools have joined the long list of those merchants and services honoring Senior Citizens by giving free or reduced rates to "I.D." Card holders, in the "Dollar Stretcher Plan" sponsored by the Informational Center for Rural Senior Citizens in Allegany County.

Wellsville Central School District was the first to grant those over 65 with Dollar Stretcher Cards, free admission to all Football and Basketball games.

## Attention Senior Citizens With Dollar Stretcher I.D. Cards

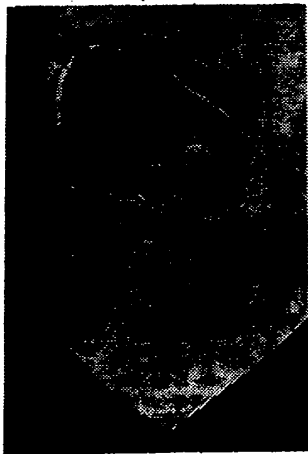

Senior Citizens who have Dollar Stretcher "I.D." Cards, please make a special effort to show your "I.D." cards BEFORE the cashier rings up the sale.

With the Christmas shopping season approaching and the clerks becoming increasingly busy with extra customers, the merchants have said that it would be greatly appreciated by everyone concerned, if you would show "I.D." Cards immediately upon making a purchase. This will help to make a more rapid sale. If you do not do

this and the clerks are too busy to refigure the sale, you may lose your 10% Discount.

"Having a Dollar Stretcher "I.D." Card is a privilege and honor. The sponsor of the Plan, Informational Center and Rural Senior Citizens, is grateful to the merchants who support it," said Mrs. Mary F. Barnes, who is the Assistant Coordinator at the Center. "For this endorsement, they should be entitled to the courtesy of being presented with the "I.D." Cards before the cashier finalizes the purchase."
