Grange News

Andover Grange 1098 met at the Grange Hall, Sunday, Feb. 18 and enjoyed a tureen dinner. Following the meal, there was a business meeting held at which time State Deputies Brother and Sister Byrie Barnett scored Andover Grange for annual report.

The main topic of discussion in the meeting was the recent hiring by Commissioner of Education Fwald B. Nyquist of Jack Chen a non-citizen and known Communist sympathizer to a post in N. Y. S. Department of Education.

Senator James Buckley is most concerned regarding this hiring and Andover Grange urges voters to write Senator Buckley supporting his opposition to this hiring.

One of the most interesting and provocative meetings of the Allegany County Pomona Grange Legislative Committee to be held in several years, was conducted at the Belfast Grange Hall Thursday evening Feb. 15th.

Control of milk prices without active participation of milk producing farmers has been a sore spot to the producers for many years. An attempt to do something about this situation is only one of several topics to be included in resolutions that will be presented at Pomona Session on March 3rd.

The 8 points discussed on Feb. 10 1973 at a meeting of N. Y. S. Grange Representatives and Representatives of Eastern Milk Producers Cooperative Assn., Inc., will be further discussed at a meeting for all milk producers to be held at Belmont Grange Hall on Friday night, February 23rd at 8:30 P. M.
