HALL OF FAME

Eileen Marie Atwell

by DeeDee Gorsuch

Our first member of the Hall of Fame this year is a very active senior named Eileen Marie Atwell. Eileen was born on September 20, 1955, to Mr. and Mrs. Carl Atwell. She has participated in many activities throughout her high school years including Senior Band for six years, Chorus for six years, All County her sophomore and junior years and Girls' Ensemble for three years. Other activities include F.H.A. and G.A.A., both for four years, Red Cross, Hi-Herald and Student Council. Eileen also participated in sports, playing Girls' Soccer, Basketball, and Baseball, along with being a Cheerleader for four years.

Combining all of her efforts and activities throughout school certainly makes Eileen an outstanding student whom we are all proud to have in the Hall of Fame.

Senior Interview

by Cheryl Joyce

Get ready people — it's time to interview the one and only Bob Jackson. I might say that he's the one and only because no one else can combine the qualities of a great sense of humor and all-around friendly nature guy as Bob does. The son of Mr. and Mrs. C. Robert Jackson, Bob has one brother, Mike, and two sisters, Marcy and Pati Ann.

Bob's majors in high school have been math and science. His list of activities in his years at A.C.S. is so long and involved that it is nearly impossible to account for them all. Some of them are: Senior Band, four years; Senior Choir, four years; All-County Choir, three years; Area All-State Choir, two years; Dance Band, two years; Student Council, three years; Varsity Club, three years and Marching Band, four years. Along with all this Bob has been President of the Sophomore Class, Vice-President of the Senior Class and received third place for the Geometry Award in his Sophomore year.

Of course, one doesn't have to remind you of Bob's role in the

Junior Play as Dobie Gillis. Nor does one have to remind you of his very honorable sports record — Basketball, four years; Soccer, four years; Baseball, four years and Volleyball, one year. As Captain of many of these squads, Bob has put forth a very strong effort and was a major reason for our entry in this year's Basketball Sectionals.

Bob will be off to college next year, but nobody will ever forget him here. After all, you can't forget the people who make life worth living in Andover.

Red Cross News

by Lois Gram

The annual visit of the Red Cross Bloodmobile took place on March 9. The quota for the visit was 75 pints and was exceeded by one pint. Seven persons were rejected for various reasons.

Student participation centered in these areas: giving blood, manning the canteen, helping with equipment and making signs to announce the event.

The Future Nurses organization provided a babysitting service. Participants were: Debbie Gavin, Phyllis Freeland, Nora Kelley,

Linda Burns, Linda Bierman, Betty Jackson and Cindy Ryan. Twelve children were cared for.

The cooperative effort put forth by these people helped to make it a success. Congratulations!

SAINT PATRICK'S DAY

by Judy Bliss

389 A.D. Suat Patricius, or Saint Patrick as we call him today, was born in Bannavem which as yet has not been identified. When he was 16 years old he was captured by Irish pirates and taken to Ireland. There he worked as a slave tending cattle on the mountains. It was there that religion came to play such an important part in his life. After a few years he escaped and was taken to Gaul. There according to J. B. Bury he was educated to the priesthood. St. Patrick was continuously haunted by dreams of the unhumanity of Ireland and finally returned to reform the barbarians and druids to Christianity. St. Patrick found wide acceptance from the Druids and by preaching everywhere he went, was accredited with the conversion of all of Ireland to Christianity.

St. Patrick is remembered even today as we celebrate his feast on March 17 with parades and good cheer.

The Spy!

by Guess Who

As I crept around our "quiet" community this week-end, it seemed to me that many of our fellow students were up to mischief, as usual! For those who weren't caught this week, "beware" for the Spy will be out to get you next time!

How was the discussion in Church School Thursday, Fred? It seems that Gary Briggs was awful sleepy this week-end.

I heard the Senior Band hit some high notes last Wednesday!! Have Bob or Deed seen much of the Cop lately?

How has second period study hall been lately, Jeff-D?

I heard Byron and Barb and Mike and Deb had a rocking Saturday night.

Seniors, is it true you are planning for your big trip?

Miss Troxell, how was the movie in Wellsville?

It seems Pat M. and Judy B. along with Mike B. and Linda M. had lots of fun this week-end!

How was the dance at Wellsville, Steve?

Jeff B. how did you feel after all your nights out this week-end? Sue, DeeDee and Leenie, how was your pizza?

Robin, I hear you left Gary home while you went touring — you did go touring didn't you?
