

There's a new Bridge in Galeton.

With a great deal of pride, we announce that John Bridge, of Andover, has joined our staff as a furniture sales consultant.

For the past 11 years, John has been associated with Burrous Furniture, in Wellsville, as office manager and salesman. He was also an officer and director of the Burrous Corporation, a member of the Andover Presbyterian Church, and the American Legion. John and his wife Betty have three children.

We think you'll find John Bridge to be the friendly, helpful kind of person you expect to meet when you visit Lush Brothers, and we are especially pleased to welcome him to Galeton and our store.
