The "Konstruction" crew get ready to "off-load" the "Sugar Shack" that Richard Baker had built "pre-fabbed" in readiness for erection during the tree tapping ceremony on March 31st.

Left to right — Rev. Flore, Ass.

Pastor of the Blessed Sacrament Church where the "Sugar Shack" is being erected; "Don" Swartz; Richard Baker; Robert Baker; Jack Wheaton; Don Thorp, Jr.; and Hal Sisson.

Work was started on the "Sugar Shack" around 9 a.m.; the trees

were tapped from 9 to noon. The "Shack" was finished by 5:00 p.m.; the evaporator set up by 6:00 p.m. — and by that time the sap buckets were full. The evaporator was "tired-up" and the first gallon of syrup (#1 grade) was taken off at 11:35.
