Mailbox Improvement Week

The Postal Service designates a week during May each year when customers on rural, city motorized, and contract delivery routes are encouraged to examine and improve, where necessary, the appearance of their mailboxes. The week of May 21 - 26 has been selected this year. The purpose of Mailbox Improvement Week is to call attention to the need for providing mail receptacles which are designed to protect the mail from the weather and are neat in appearance, conveniently located and safe to use. Neat, attractive mailboxes will make a significant contribution to the appearance of the countryside and the streets in suburban areas.

Mailboxes that meet the above four important requirements contribute to a more efficient operation, and the result is an improved service to the entire route.

NOTICE

Yanks Tip Mets 1-0

The local Little League season got off to a great start Monday night with a no-hitter being registered.

Last year's defending champs, the Yanks, hooked up in a duel with a very strong Met club.

Pat Atwell and Marty Geer pitched for their respective teams with each pitcher going all the way.

Pat pitched a strong no-hitter, allowing 2 walks and no runs while striking out 11 on his way to the win.

Marty turned in a very fine performance, allowing 1 run, 2 hits, 4 walks and registering 12 strikeouts while absorbing the loss.

The lone Yank run was scored in the first inning as Aaron Russell walked, Pat Atwell singled with Arron moving to 3rd. Dave Nevol then hit a hard ground ball to Joe Howland. The play was made to first base and the runner scored from 3rd.

The Mets got 1 runner to 3rd base, as Jay Jackson walked, advanced to 3rd on a throwing error. He then was rubbed out on a rundown between 3rd and Home.

We have games scheduled every Monday - Thursday until June 28th. Everyone is urged to come and watch your favorites play.
