Annual Cub Scout "Pinewood" Derby

The Annual "Pinewood" Derby was held in the ACS gym, Sunday afternoon, June 10th, with 18 Cub Scout entries.

Around 70 adults, composed of parents and spectators, watched interestedly as the heats were run off with just 2 cars in each heat followed by the semi-finals and then the big race.

The Best Appearing and 1st Place Trophies were donated by the Andover News. The entire race including the awarding of the trophies took just a little over an hour.

News That's Print To Fit

Well Folks, here is your annual warning! Yep, they are at it again with the Magazine Racket in our area. So, if you are greeted on the telephone with a long distance phone call with words something like this: "You have been selected in your area to have the wonderful opportunity of receiving — a big batch of magazines — for just a few pennies a week — and all you have to do is pay the postage — etc." — well friends, you had better think twice before you answer! Or, the first thing that you know a salesman will be at your door with a contract to sign — and if you should sign it and let that 72 hour cooling off period slip by — well, you may find that it will almost take an act of Congress to stop the darn things.

We know that local woman received one of these offers a while back — and wrote to the company repeatedly to try and stop the flow — but they kept coming and coming, and coming — and she kept paying, and paying, and paying — for a long, long time.

We usually wait until the ACS Junior or Senior Class comes by in the fall with their project to make money and take a year's subscription for whatever magazine we want. Then if we don't get prompt action on our subscriptions — we have some one local to contact that will see that things are taken care of. And, of course, we are helping a local cause — and aren't paying any more either. 10-4?

Yep, we believe in the old saying "Charity begins at Home!" Doesn't that sound like a winner?

The Mayor's Column

by Jim Bliss

Last Saturday a group of Cub Scouts from Pack 77 and their leaders set an example for all of us, by picking up the litter on Main and Elm Streets. They certainly showed pride and concern for how their Village looks.

Maybe we should all be thinking about a Community Clean-Up or Spruce-Up Campaign with the Fourth of July Celebration approaching it would be nice to have Andover as attractive as possible for all the visitors we usually get. The Village will be doing its share.

The contractors are back to finish the paving job on Rochambeau Avenue.

The Village Board is going to be considering a Dog Ordinance in the near future. What makes such an ordinance necessary? Peoples unconcern about the effects of uncontrolled dogs on their neighbor's property and person. Spilled garbage, trampled gardens and flower beds, not to mention numerous deposits on lawns and sidewalks, dogs blocking access to stores and buildings, or threatening passers-

by, particularly small children are just some of the consequences of uncontrolled dogs. If these dog owners would think a minute about the harm their dogs are doing to their neighbors they should be willing to control their dogs without being forced to by an ordinance.

The Town and Village are beginning to think about forming a joint youth recreation board to plan and run a year around recreation program. We'd like to hear suggestions and comments from the people of Andover, both youth and adults about this idea.

Planning Board Holds First Official Meeting

The First Official Meeting of the Village Planning Board was held at 7:30 P. M., Monday, June 4 at the Andover Free Library with the following members present: Phil MacMichael, Regina Brown, Carol Rowley, Jim Gram and Max Graves.

At this time the Planning Board elected the following officers: Albert Winslow — Chairman, Carol Rowley — Secretary. Group discussions and flood insurance were the main topics of the meeting.

Next meeting will be held Monday, June 18 at 7:30 p. m. at the Library.

The public is invited to attend this or any Planning Board Meeting and any suggestions would be helpful.
