

Andover Summer Playground News

A report of the first week of activities at the Andover Summer Playground showed a steady increase in registration from ninety-three children on Monday to one hundred forty-five children on Friday.

A large banner strung across the parking lot welcomed the children on their opening day. Playground supervisor, Mr. John Hoek crowned Mark Weibezahl as "Mr. Earlybird" as Mark was first to arrive at the playground.

Swim lessons will be given every day from 9:15 until 11:15. Due to the large number of children in the Beginners Class, this first class had to be divided into two sections from 9:15 to 9:45 and from 9:45 until 10:15. This will permit the instructors — Miss Carmody and Miss Burrows to give each child more individual attention.

The Advanced Beginners will be instructed from 10:15 until 10:45 and the Intermediates from 10:45 until 11:15. The Advanced swimmers will be taken from 11:15 to 11:45.

The Free Swim periods each afternoon are as follows:

From 1:30 until 2:30 — all children from Kindergarten through Fourth Grade

From 2:30 until 3:30 — all children from Fifth Grade to Eighth Grade.

Instructions in crafts, arts and athletics are given daily to each group who is not involved in swimming at various hours of the day.
