

Former Resident Performs Art Work On New Building

Miss Sandy Thorp of Stafford, Kansas, formerly of Andover, and the daughter of Mr. and Mrs. Donald Thorp of Chestnut Street, Andover, performed the art work on the new proposed building as well as the artist's sketch pictured above.

The artist drawing of the new building proposed by Mid-States Ornamental Iron, Co., of Stafford shows how attractive and useful this new addition will be.

It will be located on the old Whitlock property on West Broadway, slightly to the rear and west of the present buildings.

When completed the firm will employ approximately 50 employees, and are now taking applications for both shifts. If you are looking for employment contact the office on West Broadway.

Industrial Revenue Bonds are currently being offered by Perry, Adams and Lewis of Kansas City, Mo., and local information can be obtained by calling Ickie Kisner.

The home office for Mid-States is located in Kansas City, Mo.
