Greenwood Soccer Team won over Cohocton, Tuesday 3 - 2 at Hornell to play the final tournament game with Belfast, Saturday Afternoon at Alfred-Almond. The team had the good fighting spirit, and played a shut-out game Saturday, winning the Section 5 Trophy over Belfast 3 - 0.

Before the play-offs, the team record was 9 wins and 7 losses. They lost four good players during the season, but could still go on to victory.

Saturday's game was played amid intermittent snowstorms with the wind howling across the field. Steve Fisher didn't score in the game, but ranks as one of the team's heroes scoring assists in all three of Greenwood's goals. In the first period he passed to Greg Hunt for the team's opening mark in the second he relayed to Robert Holt for the next score and in the final period he turned the ball over to Hunt again for the final point. Brad Clark made 12 saves. Coach Sheldon Atherton credited his defense especially Ken Malin, Steve McCaffery, Brian Bentley, Vaughn Mitchell and Larry McCaffery.

The Town knew we had won as the Firemen drove the Ambulance and two Fire Trucks with the two school buses filled with boisterous, jubilant spectators through Town with sirens open.

A special awards dinner was held at school Saturday night. Coach Atherton honored the squad and gave special awards to honor Jim Murphy for the team's Sportsmanship Trophy. Brian Bentley was given the award for Most Team

Spirit; Vaughn Mitchel was honored as the Most Important Player and Ken Malin, the Team Captain took honors as the Most Valuable Senior. About 70 attended the dinner, with parents invited.

Coach Atherton is going to have the best crop of returning players he has had in several years next season as far as numbers go. He won't be losing any of his line or any of his half-backs to graduation but all the defensive starters are expecting diplomas in June including Vaughn Mitchell, Brian Bentley, Steve McCaffery, Ken Malin and Brad Clark. Other Seniors are: Jim Murphy and Jeff Hunt.
