**Veterans News**

**LISTEN VETERAN BIG GAME HUNTING LICENSES** are issued free to service-disabled veterans if their service-connected disabilities are rated by the VA as 40% or more. This is in addition to the regular hunting license which they may also pick up without charge. Of course, proof of disability must be offered in the form of the VA's letter of certification showing the disability rating.

**SERVICEMEN ON LEAVE** - can join in the fall hunting season without a license if (1) they are residents of New York State and are stationed outside of the state; (2) are on leave in New York State for thirty days or less; (3) carry with them their leave or furlough papers which indicate their active duty station and their length of leave. If they want to go after big game then they'll have to pay for the big game hunting license.

**INCIDENTALLY**, veterans who are traveling and suddenly find themselves in need of emergency treatment for a VA rated service-connected disability, can go to the nearest civilian hospital if a VA hospital is not nearby. The VA will pay the expense if it is notified within 72 hours of admittance.

**PUZZLED** about your eligibility for veterans' benefits? No need to be. You can get the facts by contacting the New York State Division of Veterans' Affairs veterans counseling center located at the Municipal Bldg., Wellsville, N. Y., on Tuesdays, and at the City Bldg., 108 Broadway, Hornell, N. Y., on Mondays, Wednesdays, Thursdays and Fridays.

**Legal Notice**

**Notice To Harborers Of Owners Of Dogs**

Dog Licenses are due December 31, 1973. They may be obtained at the Town Clerk's Office.

The law requires that dogs be licensed by January 1. Failure to obtain a license subjects the owner to a penalty of \$10.00 and costs and the dog is liable to seizure.

The commissioner of Health has issued an order requiring all dogs six months of age or over in the County to be vaccinated to prevent rabies. Therefore an applicant for a dog license must present to the Clerk a certificate certified by a duly licensed veterinarian showing that the dog has been so vaccinated.

To be acceptable, the certificate presented must show that a modified live virus vaccine was used within four years immediately preceding the application date, or that killed vaccine of brain tissue or brain tissue origin was within the year immediately preceding the application date.

If your application is mailed to the Clerk, the vaccination certificate must accompany your application and check.
