**Elaine Bronson**  
 DAR Good Citizen

Elaine Bronson, a senior, is the recipient of the DAR Good Citizenship Award. This award is based on good citizenship, leadership, dependability, service and patriotism. Elaine, along with other county winners, took a test which was given in the David A. Howe Library in Wellsville. This test, depending upon the score, enables each girl to receive the opportunity for further recognition for scholarships at the state and national level. She and her parents were guests of the DAR tea, Saturday, November 17.

Elaine has been very active in her four years of high school. She has a very definite interest in music, having been in band and choir throughout her high school years. Other activities which have benefited from her enthusiasm are FHA, Hi Herald Library Council, Red Cross and class plays.

Elaine also holds membership in the National Honor Society. As a participant in the American Legion Oratorical Contest last year, she took first place in the local contest and second in the County. This year she is serving on the Yearbook Staff as well as leading her senior class, in having been elected President of her classmates.

Next fall Elaine plans to pursue a career in Medical Records or Medical Secretary.

### Editorial

by Teresa Polmateer

This editorial is a sincere tribute to our resigning principal, Mr. Weibezahl. Even though it has been only two years that Mr. Weibezahl has been our principal, it has probably been the most important years for us seniors.

We have matured immensely, even though some of us won't admit it. These two years were filled with activity and responsibility. Mr. Weibezahl has shown us that we are worthy of activities such as dances, plays, and smorgasbords. He has gone along with what we planned, added a little flavor to our plans with his own suggestions, and made our last years of school successful. Mr. Weibezahl must know that these junior and senior years are full of anxiety and restlessness because he has helped us through them with much zest, loyalty, and perhaps now and then disagreement. However, we need disagreement to strengthen, and even change our values in life.

We wish you, Mr. Weibezahl, much success and happiness in your future.

BASKETBALL

I hope that everyone was able to attend the basketball game on Tuesday against Greenwood. The results of the games will be in next week's paper. Also season tickets are on sale at the Office in the school for the nine home games here at A.C.S.

This year looks like a very strong year for our Junior Varsity Team. The team had a turn out of some forty boys and Coach Neil Graves had to narrow it down to twenty to fit them all into uniforms. Coach Graves, along with our Student Math Teacher, Steven Saunders, and our grade four student-teacher, and Alfred Football Super Star Charlie Young, have been working our boys out pretty gruesomely lately. The team looks very fast with Calvin Shaw and Lew Spencer filling in the height gaps. So at 6:30 on Tuesdays and Fridays our Junior Varsity games could be quite different from last year not to mention our Varsity games. So stop in some time and give our future Varsity Squad some support.

The following is a list of our "73-74" Junior Varsity Basketball Team:

#### Sophomores

- Gary Barden
- Jay MacMichael
- Rob Hyland
- Bob Wallace
- Doug Preston
- Brian Halsey
- Steve Scott

### Students Attend Conference

by Judy Bliss

On November 15, four Andover students attended the Annual Southern Tier School Study Council's Student Council Conference. The students included Student Council President, Cindy Barden, along with Lisa Marsh, Judy Bliss and John Davis.

The program opened with a speaker, Mrs. Laura Merrill, followed by a question and answer period. We then broke down into discussion groups. Cindy and Lisa took part in the discussion of problems relative to the small. John joined the discussion on inter-school communication. Judy took part in the group concerning PTSA.

This conference was very informative and useful in that we gathered ideas from various schools. These ideas may serve to help us solve some of our own problems.
