"Non-Smokers Have Rights"
is the theme of National Education Week on Smoking which will be observed in the nation from January 11 through 17.

The opening date marks the tenth anniversary of the U. S. Surgeon General's report which linked cigarette smoking with major health problems such as cancer, heart and lung diseases. The purpose of this year's campaign is to emphasize that non-smokers have a right to breathe clean air and to influence smokers to show greater consideration for those who do not smoke by restricting their habit in public places.

The above sentences express the major idea for the National Education Week on Smoking in a news release. It reflects the feelings I have on smoking and smokers. Being a non-smoker I believe that I do have a right to breathe clean air in public places and even private places if it happens to be a friend who lights up a cigarette. I believe that it is up to some of us non-smokers to point out the merits of non-smoking to our friends who do smoke. I am conducting a survey of the students at A.C.S. high school to discover how many are smokers. The results of this survey and other facts of smoking will be in next week's editorial. The results of this survey should prove to be interesting reading.

Cub News

The Bucks are the Cub Champs for this year! The Cubs played their championship game the Thursday before Christmas vacation before a good crowd of spectators and the Bucks won a close contest over the Celtics by a score of 29 to 23.

The Bucks scoring was divided between Steve Dibble with 12 points, Charlie Weber with 7 points, Rex Vosburg with 6 points and Tracy Preston with 4 points. Scott Richardson connected for 9 points for the Celtics and Dave Nevoll and Jim Manske each contributed 7 points apiece.

A lot of credit goes to the Cub cheerleaders who kept the gym booming with cheers throughout the game.

The Cub "Miss Congeniality Award" for cheerleaders was awarded to Karen Joyce and the Cub "Most Valuable Player" award went to Rex Vosburg.

The Cubs would like to thank all the high school players that coached the different teams, kept score, and helped in other ways to make this Cub season a success.
