There are few school organizations which give our school a feeling of pride because of adequate representation. One of these extra-curricular organizations which the school should be immensely proud of is the high school Girls' Basketball team. I do not claim to be a so-called "women's libber", however, this organization deserves recognition.

The McNeill Mobsters and Troxell Trojans have reason to be proud of themselves. They have accumulated a fantastic 5 - 1 record in league action, the only loss going to a strong Class A school, Wellsville. Due to a strong offense and a "healthy" defense they have a very good possibility of going to sectionals. The possibility will only remain stable if they win their last two games with Cuba and Scio, away, March 1 and March 5, respectively.

This team is mainly new with only four players returning from last year's squad. I know Mrs. McNeill is extremely appreciated for pulling a group of girls together into a team worthy of representing A.C.S. in league action.
