Senior Interview

by Nora Kelley

On January 13, 1957, again the "pitter-patter" of feet was soon to be heard by the Howland family. This was the day when Jennie Mae Howland was born. Mr. and Mrs. Wilson Howland were the proud parents of a bouncing baby girl. Jennie has three brothers: Martin, James, and Norman, and one sister, Mattie, so the "pitter-patter" of feet was not new to the Howland family.

Jennie has attended B.O.C.E.S. in the past two years. She is majoring in food service. She played the part of Mrs. Katts in the Senior Play. After graduation Jennie plans on working.

I'm sure Jennie will succeed in her future and I'm positive that we will all stand behind her and wish her the best of luck.

Editorial

An organization which A.C.S. should be very proud of is the Red Cross Youth of which grades 7 - 12 are the main body. However, the lower grades are very much involved, too. While talking with the group's advisor, Mrs. Burger I learned that they try to do at least one project a month.

Some of the projects this year are the making of lap robes, friendship boxes, and tray favors. The members assist in the Red Cross Drive and at the Blood Bank. The Blood Bank will be March 25 from 2:00 - 6:00, here at the school.

Last Saturday they sponsored a Courtmasters game. The organization made a clear profit of \$193. Some of this money will be donated to the Allegany County Red Cross. Perhaps it will go to children in disaster areas or for gift certificates for personal needs of people in disasters. The money may pay for subscriptions for Red Cross News, a magazine for the elementary grades. The major project of the year is First Aid courses taught by Mr. Haugh.

Mrs. Burger, the advisor, for twelve years, admits that the organization is responsibly run by the council. The council consists of:

President - Linda Mulconery
Vice-President - Judy Bliss
Secretary - Treasurer - Lisa Brown

Student Council Representative - Donn Lang - Each class has two representatives.

The motto of this organization is to help other people. A.C.S. should be very proud of this organization because it practices this motto with every project it is involved in.

Senior Interview

by Elaine Bronson

Do you know what happened on August 31, 1956? Let me tell you about it. Mr. and Mrs. David Herr were blessed with an adorable baby daughter, named Sue Eileen Herr. Sue has two sisters - Grace and Lori, and four brothers - Dennis, Nelson, Danny, and Keith.

Since Sue is a senior this year, perhaps you would like to know some of the things she has been doing in her high school years. To start with, she has been in Hi-Herald for four years, FHA for two years, and All County Choir for two years. She has also participated in girls' soccer for one year, softball for four years, and volleyball for one year. Oh, if you attended the Class of '74 Junior and Senior Plays, you probably heard some piano playing. Well that was done by none other than Sue.

In her Junior high years Sue received two DAR awards. Along with this she was the recipient of one All-County certificate.

Sue is a business major and attends BOCES in the field of Secretarial Education. Her future plans are centered around marriage and working. I'm sure we all wish her the best of luck.
