HALL OF FAME

Diane Marie Gorsuch

The senior in this week's Hall of Fame is Diane Marie Gorsuch, daughter of Mr. and Mrs. Miles Gorsuch.

"Dee Dee" is majoring in science. She has been very active during her high school years at A.C.S. She has been in Hi-Herald, G.A.A., F.H.A., and Cheerleading for four years. She has been active in soccer and Student Council for three years and in her junior year she was President of the Student Council. In the Junior Play she played the part of Lavern and in the Senior Play she played the part of Angel. She also is an active member of the Yearbook Staff.

Dee Dee has no specific plans for the future. Whatever she decides to do - we all wish her the best of luck!

Editorial

by Teresa Polmateer

"Don't find fault - find the remedy."

The above statement is perhaps very important to some of us. In today's society it seems as if people are always finding fault with the government, the younger generation, the industries, the politicians, the races in this country and abroad, and even with themselves. If people would stop finding fault and find the remedy, this world would be much better.

Recently the administration and politicians have been under great pressure from the media and other citizens. The media has emphasized Watergate, the I.T.T. Affair, tapes, and the problems between Congress and the President. Perhaps it would help the situation and the people if the media would now dwell on how to remedy the situations which have put this nation in the international limelight.

This country tries to protect its freedoms. The press has tremendous freedom. However, with this freedom comes responsibility and I believe this responsibility is to help remedy national faults. Ralph Nader and his "Raiders" have helped tremendously to remedy various problems. These people are detested by very many citizens who disagree with this organization and what it stands for. But, do they also disagree with the remedies brought about by "Nader's Raiders", which help to make this world a safer, cleaner, and more respected place?

An important example of "finding the remedy" has occurred at A.C.S. in recent months. The vending machine in the cafeteria was being misused by some of the younger students. This threatened the student lounge which has come to be very important to some of the other students. The remedy was to talk to these students and try to make them understand that we felt threatened and would not have them take away an important privilege. The remedy worked and for the time being all is well at A.C.S. with the Student Lounge.

I believe that finding fault is good in some incidents. It produces change and progress. However, I believe the only way to follow through on finding fault is finding the remedy.

Downbeats

What are you doing on May 2? If nothing, why not go to the Bands' Spring Concert at eight o'clock. It will be held in the gym. The Junior Band, the Senior Band and Dance Band will participate. Plan to attend for a relaxing evening of music.

The Spring Concert of Choirs will be Wednesday, May 8 at 7:30 p. m. in the Andover Central School Gym.

The Senior Choir and Fourth, Fifth and Sixth Grade Choir will participate. Also all the Second Graders will be singing songs from Walt Disney productions. Everyone is welcome.

Congratulations to the students who played solos at Brighton, Saturday!

Following are the ratings:

 Freshmen - Beth Edwards
 Cherie Haskins, Teresa Joyce, Beth Polmateer, Brenda Vosvurg, Anita Winslow

Good Luck Girls!
 The Girls' Basketball Club would like to thank the Chamber of Commerce and the Lions Club for its recognition of its Championship Season.

Senior Interview

by Rose Billings

What great event happened on November 26, 1956? A daughter was born to Mr. and Mrs. John McCormick and her name was Harriet Ann. She has three brothers and one sister.

Harriet has contributed much to the girls' sports at A.C.S. She has been a team member of: soccer, five years; basketball, three years; softball, three years; volleyball, one year; and G.A.A., two years. Harriet was in Marching Band two years and a Student Council Representative, one year.

She attends BOCES, where she is enrolled in the Office Practices course. Harriet has no definite plans for next year, as yet.

We at A.C.S. wish her the best of luck in whatever she plans to do!
