Mr. Ralph Allen  
Andover News  
Andover New York 14806

Dear Editor:

Thank you for your assistance with our small watershed questionaire. Responses from the Wells-ville and Andover areas indicated a deep concern for more adequate flood protection and an interest in further information.

Southern Tier West, the Seneca Trail R. C. & D. Project, and the Allegany County Planning Department have proposed a slide presentation and informational meeting for Monday, May 13th at 7:30 p. m., at the Andover High School.

Please indicate on the enclosed postcard if you will be able to attend. This meeting will be open to the public and you are encouraged to invite friends and members of your organization.

Sincerely,

THOMAS D. McGARRY  
Project Coordinator

**Initiated Into Sorority**

Susan Jordan, daughter of Mr. and Mrs. Raymond Jordan, of Rt. 2, Scio, New York, has been recently initiated into the Gamma Phi Delta sorority at the University of Dubuque. Susan is a sophomore at Dubuque Majoring in elementary education.

The Gamma Phi Delta sorority organized in 1936, is one of three sororities on campus. Membership is by invitation only. Though their orientation is social, these groups also provide a variety of services to campus and community through special projects and donated time.

Miss Jordan and the other new fraternity and sorority members were honored at the annual Presentation Ball on April 20, where they were introduced to the campus community.

The University of Dubuque is composed of a four-year college of liberal arts and a theological seminary, and is related to the United Presbyterian Church.
