Editorial

Consumers must start to protect themselves. As the cost of living and surviving increases, consumer protection must also increase.

The consumer needs a spokesman. Ralph Nader has been this person for quite a few years. However, now he seems to be more withdrawn.

Junior News

by Marsha Baker

The Class of '75 would like to thank everyone who supported our Play. A very special thanks to our directors, Mrs. Brown and Mrs. Morris; also Cindy Ryan and Gregg Rrossman. We took in \$235.

On June 8 the junior class is taking a trip to Watkins Glen. We anticipate that this will turn out well and we will all have a day of fun!

Baseball

by Dale Russell

Wednesday, May 29, Andover travelled to Whitesville only to meet defeat. The final score was 11 to 4. Andover collected five hits as Whitesville collected fourteen. Andover used two hurlers as Whitesville used one.

This year's team ended up with a record of two wins and eight losses. Andover did not qualify for the Sectionals. Through graduation, the baseball team will be losing two regular starters George Burger and Scott Middaugh. Good luck, next year!

Senior Interview

Another important senior is Carol Ann Weber. Carol was born May 13, 1956 to Mr. and Mrs. Harry Weber. Carol has three brothers, Gus, Brian and Charlie, and one sister, Glenna.

Carol's activities include FHA, four years; Junior Band, two years; Senior Band, two years and Pep Band, Dance Band, Marching Band and All-County Band. Sports Banquet

by Lori Stein

The Annual Sports Banquet sponsored by the Physical Education Department, was held in the Andover School Cafeteria. A sum of \$3.00 for tickets was all you had to pay to enjoy a delicious roast beef dinner and hear Mr. Tod Thoren, baseball coach at Cornell University.

The banquet honored all boys and girls who have won athletic awards. Members of all school sports, both boys and girls, in addition to the cheerleaders, were awarded letters.

A special award was given to Teresa Polmateer who was chosen as one of the five outstanding senior girls athletes from Allegany County. She is one of fifteen girls who will be honored at a banquet in the Victorian Room of the Big Elms on June 13 for a tri-County Area. The affair is sponsored by the Hornell Evening Tribune.

Senior Interview

On April 14, 1956, Mr. and Mrs. Robert Tomm became the proud parents of a baby girl, who was named Laura Ann. Laura has two other sisters Denise and Cindy, who are both younger, and two older brothers, Steve and Bob.

Laurie is a science, business, Latin and music major. She has been very active throughout her years at ACS and involved in many things. One of her interests is music as seen by the fact that she has been in Band, four years; Dance Band, two years; Choir, four years and All-County Choir, three years. Laurie was also a sports enthusiast as she was a member of GAA for two years and played soccer and field hockey, each for one year. She also represented ACS as a cheerleader for two years.

Laurie's other activities include: FHA, four years; vice-president of the Senior Class; Red Cross two years; Yearbook Staff, subscriptions; and Hi-Herald, three years. She has held the position of Co-Editor of the Hi-Herald during both her junior and senior years. Laurie portrayed Lacey Westerman in the junior play and Mrs. Pert and Mrs. Teasdale in the senior plays.

Laurie will pursue a secretarial career at Olean Business Institute in September.

We all wish her the best of luck!
