Appreciation

I would like to express my thanks and gratitude to everyone who sent me cards, gifts and flowers during my stay in the hospital. Also for the many visitations I had which helped so much to pass the time.

Since I spent my birthday in the hospital, I also received many lovely birthday cards for which I am grateful.

I also want to thank my neigh-

bors and the Ambulance Crew for the assistance they gave me the day of my accident, and a special thanks to my neighbor who was so good to come in and finish my house-cleaning for me.

I will always be grateful for all the kindnesses extended to me by so many people, including the nurses at the hospital.
