

Supervisor Howard Burdick, (right center, standing next to Jim Mulholland, General Chairman, and in the midst of the Mourners) delivers the (Funeral Oration) for the demise of (John Q. Razor and Mary Cosmetic) at Valley Brook Cemetery on Saturday afternoon, June 1st.

listened very closely, you could even hear us coming in those conservative uniforms of ours. Yes Sir! Those red & white checks stand out just as much on the Belles (maybe more so in spots) than they do on our Brothers!

And, when it comes to recognizing which Chapter is the most important we have taken on all Challengers and proven that we have the most (pull)! And, as far as the Still-Seekers are concerned, there was nothing left but a big grease spot on the ground when we finished up with our tug-of-war challenge with them. (At least that is what the next Chapter that we defeated in the rope-pull claimed after they lost).

Message to the Still-Seekers: We are glad that (Leo the Lip) recognizes true genius in our communications and its too bad that he hasn't read that Old Chinese Proverb that perhaps Confucious say: (People who live in glass houses — should not throw stones) or the modern version: (People who live in tin houses — should not throw can openers?)

Where does this parable fit in?

Well, first the Still-Seekers razed the Wooley-Buggers when their Schmidt's mug ended up in the Barber Shop Window. Then, their only (Claim to fame), their prized Trophy that they were GIVEN in the Maple Festival Parade — turned up missing! And, right out from under their very nose. In fact, we doubt if they even know who actually did parti with their (pride & joy). Yes Sir! They were Still Seeking their Trophy in and out of the grave-yard right up until Sunday — when it was already in the schedule to give it back to them. (Why did we say that 1st Trophy was given to them? Well, its like this: if you have the only Baby entered in a (Baby Contest) — how can you lose?)

Ennahoo, after not learning a lesson for the first parable, last week (The Lip) ended with remarks for several Chapters — all at the same time, and even accused us of not giving our Belles credit for their help in our Chicken Bar-B-Que! Hell, we don't have to resort to thanking our Belles in the Newspaper — WE TAKE CARE OF OUR BELLES! We meet together, work together and play together! In fact, anyone that can read, should have been able to see from our Chapter News that we have had joint meetings with our Belles and that the Chicken Bar-B-Que was a joint effort — and the money ended up in a joint treasury! Even a first-grader that was at our Bar-B-Que couldn't help noticing that our Belles worked the freckles off their but that reminds me!

Where, in any of the Still-Seekers ramblings, have you ever mentioned your Belles? All you have done is run off at the mouth and bragged how you were No. 1, and how strong you were at softball! What joint ventures have you sponsored with your Belle Chapter? What happened to all that strength in the Tug-O-War with the Husky Scratchers? We haven't even seen your Chapter Members wear the prescribed Head Wear that it calls for in the individual Membership Charters! In fact, that reminds us, where was your application for Charter Membership Monday night, the dead-line for it to be turned in to Sesqui-Headquarters?

Perhaps you could lay claim to the No. 1 (Play-Boy) division, or even the No. 1 (Hot-Air) division, but, THE NO. 1 CHAPTER — NEVER!!!!

Anyone for going camping? A fantastic time was had by the Belles and their Brothers, (Still-Seekers) at the Deer Run Olympics.

Congratulations to the Harey-Hookers and their Ding-A-Ling Belles for sponsoring the event. Competition was tough but how come only one Belle went out for the Javelin and Baseball Throw? Haven't you other Belle Chapters heard of Women's Lib?

When Trophy Time arrived, we upheld the tradition of our Brothers group by taking the Grand Trophy. In case you can't read between the lines — that also makes us No. 1. As the saying goes (You've come a long way baby.)

We would like to thank all the Chapters that participated in our fun day as well as all of the general public that helped make our day such a success.

We plan on having a (Summer Olympics) at a later date so that some of the Chapters that could not participate this time will get a chance to enjoy a great day of fun.

The hay rides and scavenger hunt sure gave the entire family a great deal of pleasure to enjoy.

The hardest and best feat of the day was putting on the Ox-Roast and it was a huge success as we served over 450 dinners.

The ladies of the Ding-A-Ling Belles are to be commended for their efforts in preparing and serving all of the food. Hope to see you at the (Summer Olympics).

"THE HUSTLERS"

Well, Husky-Scratchers how does it feel to get beat? After all the practicing you did at horseshoes our guys (Bob Baker and Glenn Thorp) walked away with 1st prize

with no practice at all.

Practice is supposed to make you perfect, or were you still tired out from your Chicken Bar-B-Que? All kidding aside, it was an exciting game and we had a good time.

Congratulations to the Harey-Hookers and the Ding-A-Ling Belles for their success at putting on the Olympics.

Note: Don't forget our car wash coming up Saturday, June 15th.

The Wooley-Buggers want to congratulate the Still-Seekers on their victory at last Sunday's Ox-Roast. Of course when you're Number Two you have to try harder.

We also understand that a certain individual was set upon and relieved of a certain lost item at the conclusion of the roast. Now don't you Still-Seekers feel bad for thinking that the Wooley-Buggers had any thing to do with his disappearance?

"STILL-SEEKERS"

No, that isn't a new Trophy

Shop on Main Street, it is just the Still-Seekers Headquarters.

Well, it seems as though you are always trying to hang on to some ones shirt tails. Here you challenge us to a rope pull, while we are trying to support another Chapter's function. Well, we accepted just so we wouldn't have to listen to your wild Pen men. So anyway, you won fair and square. But, in two weeks and nine innings later we shall see.

What happened to the other Chapters that are around? It seems that the same six Chapters show up for everything and the rest don't. You other Chapters will want support one day — and who is going to show if you don't support theirs? You all missed a great day at the Spring Olympics. They had something for every one — even beer.

The Still-Seekers No. 1 won a first place ribbon in Volleyball, the baseball throw, checkers, and the discus. And, second place ribbon in the 50 yd. dash (for which we tried to find a Husky-Scratcher a pair of shorts to wear) the good sports that we are, and a 2nd place ribbon in horseshoes and darts. We were also awarded the Trophy for winning the most events which makes us No. 1, plus then, our co-partners the Ms Lib-R-T-Belles won the Trophy for the best Women's Chapter there.

The high-light of the day came when the Still-Seekers regained possession of their long lost Trophy thanks to a real team effort. It was spotted on its way to the Speakers Platform — but it never made it. Next time you Harey-Hookers get a chance like that — send someone that hasn't got Stars in his eyes!

So that's why you Wooley-Buggers have been so nice to us now. You like our kind of toothpaste that makes us kissing sweet. You'd better wise up — one of your Chapter asked if we had any more openings.

Thanks to the Harey-Hookers for the great time even if we had to make it ourselves — it was a lot of fun.

"HUSKY-SCRATCHERS"

Special News Bulletin from the Harey-Hookers: LOST! STRAYED! or STOLEN!! One live OX that is now a fugitive from an OX-ROAST!!! Yes, Brush Brothers despite the fact that we didn't even see the (whistle) of your Roasted-Ox, and the meat tasted very much like good roast beef, you are to be commended on the success of your outing and the originality shown in your Spring Olympics.

As far as participation is concerned, we feel that we had a bigger percentage of our Chapter Members taking part in your events than any other Chapter. In fact, we heard it remarked, that every time you turned around — or every where you looked, there were several Husky-Scratchers or Cha-Cha-Chow Belles. And, if you
