Editorial

In these last few days of school it is surprising to see where values lie. Everyone has a set of values in this world. However, when it comes to school, the beginning of summer vacation & graduation, the students' and teachers' values lie somewhat along the same line.

Students are worrying about Regents and locals, getting a job this summer, making up tests and homework, and next year. The graduating students can't wait for June 22 for it means the start of life as an individual. The juniors can't wait for it means they are number one as of June 22.

The younger students also become aware of more freedom as of June 22. The teachers also gain freedom from students as of that day.

One thing for certain is that June 22 and the remaining days are of great value to the students and teachers. For some, like me it may be of greater value than perhaps any other time.

TRACK

The Track Team ended its season with a bang as five of our runners journeyed to Brockport for the Section V Track Meet.

Our Seniors, Chad Grossman and Dennis Ordiway, both participated in two events. Chad in the Pole Vault where he took Third Place and in the Mile Relay which placed Second. Dennis ran the 220 yard Dash. He placed Third in the 220 The other three runners, Ricky Cahill, Jim Jackson and Rusty Godown, all ran the Mile Relay which brought them all home red ribbons.

The team this year did better than ever before. In Section V Andover placed above 10 other area schools including Bolivia which has been a power team for the last ten years. Richburg also placed second at the County Meet finished ahead of Andover by only two points. Consequently our (do nothing) track has suddenly come alive and next year the County Meet and Trophy might be found in the Trophy Case at Andover. Good luck runners and jumpers and let's have an even better team next year!

United Speedway News

This weekend two Speedways of the United Speedway Associates salute Father's Day with free gift certificates for all fathers, treating him to a night at the races. Holland Speedway which races Saturday night and Perry Speedway which races Sunday night will honor all Fathers in this way.

Art Clark of West Seneca added another notch to his string of victories for the 1974 season by winning the Liberty (100) on June 5th. This was the second major victory of the year and brings his total winnings for the two extra lap races to almost \$10,000.00. The

together. Conversely, Dick Perry Champion has had nothing but bad luck and bad breaks since the beginning of the year. After running a top third over 3/4 of the race in the Liberty 100, a bumping incident with Don Biederman of Port Credit Ontario, sidelined the Perry Champion.

The Charger Division continues to be a donnybrook between Steve Hill of Holland and Jim Enot of Buffalo, along with Bobby Thomas of Warsaw and Greg Helmeiz of Orchard Park. These youngsters are putting the people on their feet with their racing heroics. The three card show is rounded out with the very competitive Limited Sportsman, Holland's version of open wheel racing.

Racing continues this Saturday night at Holland with first race at 7:30 p. m. switching to Perry on Sunday night with the first race at 7 p. m.

Appreciation

I wish to express my deep appreciation to the Lions Club for providing transportation so many times to and from Rochester Hospital and the Doctor's Office and the ones in the future.

Also to my friends and neighbors for the many cards and kind help. To Grace Burger for taking me to Hornell, the Doctor, and errands for the past year.
