"THE DING-BATS"

Several of our members attended the very fine breakfast at the Rod & Gun Club on Sunday. And, then came back at 1:00 for the Turkey Shoot. We had 6 members from our Chapter shooting with Neil Graves, Nick Brundage and Perry Weirich, leading the way. We were informed by Dick Baker of the Rod & Gun Club, that as a Chapter we took Second Place with the Rod & Gunners being First.

We also have been challenged to a Softball Game by the Cannon Balers which we accepted. The game will be played July 14th And, while on the subject of Challenges, we have not as yet heard from any other Chapter on our Open Challenge to Bumper Pool, 10-4 and out!

"HAREY-HOOKERS"

A meeting of the Harey-Hookers was conducted on June 16, 1974 at Deer Run Camp Grounds. The financial statement was drawn up from the Spring Olympics and a sizeable profit was made. As in a great thank you is extended to all that participated.

Plans are now being made for the Summer Olympics to be held on July 28. Time and place later to be announced.

Plans are also in the making for a greased pig chase, greased pole climb, beat the car, and other games for the family that will be held on August 4, 1974 at Martin (W) Farm. This will be sponsored by the Ridge-Riders and the Harey-Hookers.

The Harey-Hookers have not played one Softball Game yet. We approached other Chapters for challenges but they say they are BOOKED UP! We just wonder if that is the real reason?

"CANNON-BALLERS"

If you were in Andover this past Sunday afternoon around 5:30, you would have witnessed the Maestro and his Galvanized Guys marching again down Main Street Singing: "We Lost The Game!"

A lot of fun was had by all who watched from the bleachers as well as the players. The final score was 17-41 in favor of the unbeaten Cannon-Balers. How about that — Still-Seekers?

July 28 will be the date of the All Country Western Outdoor Jamboree — place will be announced next week.

Will see you Brothers around the Streets.

LATE NOTE

The Cannon-Balers have been asked to play at Belfast the 23rd to help promote their Sesqui-Centennial. The Cannon-Balers accepted. So see you at the School grounds at 2 o'clock.

"WOOLEY-BUGGERS"

A tip of the Wooley-Buggers hat to Leon McNeill and Brother Bugger Pat Carson for the excellent program at Charter Night. The Town was just (Bristling) with excitement as the Brothers and Belles promenade from Headquarters to the School.

Did you notice the lead Chapter? Yup! It was the Wooley-Buggers — repeat with our Official Crest.

Keep your eye out for the Wooley-Bugger — he'll be showing up all over Town!

We understand that the Husky-Scratchers have a new theme song, it goes something like this: "Grain Drops Keep Falling On Our Heads".

The Greek Oracle has stated that the Still-Seekers aren't interested in the Bath Tub Challenge Race. Could it be that they are afraid of getting near a bath tub!! Phew!

Hermie's Hermits can buy the Trophy for the Round Robin Softball Tournament with the Wolley-Buggers name already engraved on it! Our Main Brush and Manager (Casey) Fanton, has ironed the bugs into our game and it will be a revitalized Wolley-Bugger Team that takes on all comers. Our Ace Pitcher, Everett (Dizzy) Fanton, has spent two weeks in the minors and is now ready to make his come back.

Rumor has it that speculation on Bath Tubs is running wild as the

great Race Day approaches. We hear that a black market bath business is thriving in Elm Valley As a public service we are advising all residents of Andover and surrounding suburbs not to admit strangers into their Bath Rooms who are carrying pipe wrenches!

"STILL-SEEKERS"

To The Husky-Scratchers — My, My aren't we getting petty, could it be that Leo the Lip is getting your goat? And, after this past week-end you couldn't even think about First Place. We understand you lost all the games you played. Where was all the pull you talked about, maybe you ought to stick to rope pulls and pigs. And, I believe you mentioned us as the hot air division. That was all that last article sounded like. And, was it our fault that we were the only Chapter in the Parade. I don't think there was a limit, so if you didn't get in the last parade don't cry to us... If you stop in we will try to find you a crying towel.

We wish to thank your wild pen man for writing such a long article all about the Still-Seekers. After you were all done, all you could come up with is that we lost a tug-of-war. A Brother stopped in and wanted to know what the article was about, he said he read it six times and it still didn't make any sense maybe confucious could and maybe you could translate it so the layman could.

A thanks to Red Allen for the help in our Softball Game. Sunday Speaking of Ball Games we had a hard battle but we pulled it through, we beat the Ben-Sooker Hill Billies 18 to 14, but you guys in Alfred played one hell've a game.

You Wooley-Buggers were right about when your a second place Chapter, you try harder. I even have to admit you were trying harder, but not hard enough.

You guys can bet your (Bippy) that the Still-Seekers will be racing in your Bath Tub Race. Hope you have a turn-out with more than five or six Chapters in it.

As for your question, no we don't feel bad. Its the Greeks Law that you are guilty until you prove you are innocent. So start proving. We understand you can't bring yourself to admit it but believe me you will sleep better nights if you do.

The Still-Seekers — No. 1 P.S. — We heard that the Husky-Scratchers were afraid of the regular softball and wanted to play with a 14-inch ball. With all the weight you pull can't see why you would be afraid of a little old softball — shame on you!

&

"CHA CHA CHOW-BELLES"

Most of our Beards and Belles have been hard at work (Burning the Midnight Oil) getting our float entry for the Fourth of July Parade re-built, cleaned-up, and furnished in keeping with our very modest and conservative uniforms. And, in case that (Legal Beagle) from some other Chapter is looking for Checker Boards again for his Olympic Games, all he has to do is set up the checker tournament on our float. How about that?

Oh yes, despite all the time spent on our float, our Guys did manage to work in three Softball Games on Sunday as well as help support the (Band-Aid Belles) and their Beards on that wonderful Chicken & Biscuit Dinner that they served on Father's Day. Now that was really something! The only complaint that we had was that there was just too much food served for someone on a diet — but boy, did we enjoy every bit of it.

As far as the ball games were concerned, the (Checker-Boards) had a lot of valuable practice and came close to winning all 3 games. In fact, the (Huskies) were ahead in most of the games right up until the last few innings — but youth has an uncanny way of sort of slipping away.

As far as the (Still-Seekers) are concerned, we can see from their (rantings) by Leo the Lip that they are really worried about their forthcoming game with the (Huskies). And Boy, do we really have a surprise for them! Don't tell them — and we'll let you all in on the secret. (We don't have to worry about them reading about it — especially when they didn't even know that Confucious was an Ethioplan that lived in a cord-

Miss Eliza King

Miss Eliza Jane King, 87, of R. D. 1, Canisteo, died Tuesday, June 4, 1974 at the Steuben County Infirmary at Bath, where she had been a patient for one year.

Born in the Town of Greenwood, March 13, 1887, she was the daughter of Sylvanus and Emily Ribble King.

She is survived by four sisters, Mrs. Mary Radcliff of Greenwood, Mrs. Elsie Gayhart of Henrietta, Mrs. Rose Robbins of Dansville and Mrs. Margaret Mullen of R.D. 1, Andover; and one brother, Sylvester King of Geneseo.

Funeral services were held at the H. P. Smith & Son Funeral Home in Canisteo, Friday, June 7, with the Rev. William Shepherd, pastor of the Ivory Baptist Church of Frewsburg, N. Y., officiating.

Burial was in the Mead Cemetery in the Town of Greenwood.

wood home).

Well—ll, the Secret is that we called up a PITCHER from (Brush-Leagues) that has an ERA of .005 per game — and boy, does he ever have a variety of pitches. He has a (smoke-ball) that is so fast that it catches fire just before it gets to the batter — and all they can do is fan at the smoke. (Of course, we will have to have a few extra cartons of new balls on hand — but it will be worth it). And, does he ever have a (bean-ball)! His bean-ball is so sharp that when he aims it at their head — and they duck — it hits them in back of the head with a bean-bag! (This special type of ball of course will have to be borrowed from the (Ding-Bats) Chapter — but we are sure that they will co-operate. Oh yes, in case they try to disqualify our fancy imported pitcher, we have already had the (Band-Aid) Belles inoculate him into our Chapter — just ask them!

So all you fans that want to see the Still-Seekers go down in defeat — just wait until that game when ever it is. 10-4?

Sesqui-Belle Chapters News

"JAZZ-A-BELLES"

The Jazz-A-Belles held their third meeting June 12th. It was reported that Donald Ellsworth of Little Genesee was the winner of the gift certificate for \$25.00. The Salad Sale was a great success and several future projects were discussed.

"DING-A-LINGS"

So very pleased with the turn-out for the Parade. What a pretty sight. Wish all of ours were there — what a pretty picture the girls in red and white check dresses and Oh the little boys in their derbys they really belong — So proud of Andover!

Our next meeting will be held at "Ma" Weatherby's on N. Main St., Sunday, June 30th at 7:30 p. m.

We are having our (Summer Olympics) July 28 with the Harey-Hookers of course. We did so well with them on our (Ox-Roast). Thanks to Red and Jeanne Allen for putting our floaters in the Andover News.

"TELEPHONE-BELLES"

Humble little thank you to the Harey-Hookers and Ding-A-Ling Belles for the good food and good time had at the Ox-Roast on June 9th.

In case no one noticed the Telephoney Belles and Brushes did participate in the Olympic games. Sister Belle Mary Lou and Sister Belle Pat took 1st place in the Horse-shoe Doubles and Brother Ron Morris and Brother Chuck Dain took 2nd and 3rd in the Javelin Throw. Also in the kids Scavenger Hunt, Little Brush Willy Bennett took home a 1st prize. This was with competitors that we took these awards.

We might not be 1st class in arletic competition, but we feel we had a 1st class good time with our families. We are looking forward to more of these social gatherings.

Mark your calendars for June 29, for the Telephoney Car Wash at the school parking lot. Time 9 A. M. to 12:00. This is a joint work bee for the Telephoney. We believe in (Togetherness), kids included.

See you all around town!
