Note Of Thanks

We, the Town Squires and Town Squires' Belles, wish to express our appreciation to the people of the Town and Village of Andover for the opportunity to participate in your 150 birthday celebration. We especially want to thank you for the beautiful trophy awarded us for the float we entered in the Saturday parade. As many of you know, our Brush members are all Whitford Company employees and live in scattered areas of Allegany County, so we were not able to be as actively involved as most of the other chapters. But whenever we could join you we had a wonderful time. We feel Andover has the best community spirit of any town in this area — your many successful ventures attest to that. Our hats are off to all you fine people for another job well done.

Thank you for asking us to join you in this celebration — wish we could see you for the 300th.
