**Sesqui Re-Glance**

Prob. by. by now everyone realizes that the week of August 11-17, 1974 has joined the past. For a lot of people it is one of the facts that belongs in the "hard-to-believe" department, and for a few I guess it has been filed under "about time".

Personally, my pride in Andover, its citizens, its participation and all of its returning friends and relatives has been just boundless.

Please accept my personal thanks. Each Committee member from Chairman to thumb tack divisions, each Chapter, every Queen, Keystone Kops, all the Ministerial Assoc., local organizations, and every "Kid" in every block deserves a round of applause!

Perhaps special compliments of the week are due Faith-of-Our-Fathers Day. How about making that an Annual Event? The Coronation was lovely, and full of pomp and circumstance. Thanks to the Queens' Committee and all, and I really have enjoyed all the beautiful compliments passed my way. It was you people of Andover, you knew who furnished the fuel for a speech which you seemed to enjoy. Thank you for saying so — I enjoyed doing it for you.

The Fashion Show was truly fantastic. Congratulations to all the workers and winners. Youth

Day and Dance was fun and financially successful.

It was such an extravaganza, so perfect in every detail. Even the gym wore a look of pride. That Committee should be retained on a permanent and annual basis! Yes?

The Parade was also Perfect. Can some of those floats possibly be saved so we could see them again on Fourth of July or at neighboring celebrations? Space will be a problem, and if you can't, we'll all know you tried. Thanks for working so hard and letting us enjoy them at least once.

As in all good and perfect events there must be some small disappointments also. For me it was the late date of publication of the history book. I hope you've been able to obtain your desired copies. There surely must be many left for you. I'm sorry that every good worker did not have his name printed for posterity to read and discuss. However, we all know that when we attend the symphony, it's the conductor's name we remember and not the names of those who wrote the compositions.

I do thank each one of you Sesqui Spirits!
